[ ] commented that the national headquarters had recently purchased a new \$8,000 printing press. This will apparently be used for the political campaign of GEORGE LINCOLN ROCKWELL, the organization's national commander, in 1966. He stated that these men hang out at the Uptown Liquors Bar and Kelly's Bar both of which are located at the corner of North Racine and West Wilson Avenue, Chicago. They also hang out at the Golden Goose located at West Leland and North Racine. He stated that [redacted] has for some time been involved in the shake down racket with Chimney and gutter repairmen who operate on the North Side area of Chicago. He described the following modus operandi employed by these individuals:

There are several chimney repairmen who operate off trucks out of the Wilson Avenue area. These men congregate at a restaurant on Wilson Avenue east of North Racine on the South Side of Wilson between 7:00 and 9:00 AM in the morning, where they generally have breakfast. The chimney repairmen, who are for the most part acquainted with [redacted] will find a repair job and then size up the occupants of the house with regards to any monies they may have in their immediate possession. Once it is determined that the occupants keep money in the house or have a bank account, the repairmen will then contact [redacted] who comes to the victim's residence posing as a building inspector. [redacted] tells the occupants that the repairmen have noticed some defective electric wiring or some other defective building violation and demand that the occupant put up a substantial amount of money to serve as a bond. The bond will remain in effect until the work has been completed and the defect eliminated. According to the informant, after [redacted] obtains the money from the victim, he does not reappear and no further repairs are made.

b6  
b7C  
b7D

[redacted] has also used the guise of a police officer and even has produced identification to this effect. Informant has heard that a false identification is obtained from [redacted] who resides in the Fox Lake, Illinois, area. Informant stated that [redacted] has in the past served time in a federal penitentiary.

b6  
b7C  
b7D

[redacted]

Informant stated that one [redacted] who owns or operates a [redacted] is the person who most often works with [redacted] and that [redacted] is probably involved in instant case. [redacted] used to run a bar called the [redacted] in Chicago; however, [redacted] and the [redacted] is now closed.

b6  
b7C  
b7D

The informant last saw [redacted] last Sunday (April 3, 1965) standing on the street near Kelly's Bar. He could not furnish any exact addresses for the three subjects but stated that they lived in hotels in the Wilson Broadway area in Chicago and often change their addresses. According to the informant [redacted] and some of his associates have been arrested by the Chicago Police Department in the past in connection with the above-mentioned activities but have never been convicted or sent to jail.

b6  
b7C  
b7D

(SA [redacted] was advised of the foregoing information on April 6, 1965.)

On April 19, 1965, informant advised that subjects [redacted] have continued with their shake down operations after having been arrested with regards to instant investigation. He stated that these men are in the process of obtaining money from an old woman who resides on the North Side of Chicago at an unknown address. Informant related that prior to their arrest, [redacted] contacted this woman and obtained a \$500 check from her. Informant believed that this took place approximately two months ago. He stated he did not know the exact ruse used by these individuals at that time. After [redacted] were released on bond they recontacted this woman representing themselves as FBI Agents. [redacted] refused to go along with [redacted] and [redacted] with regards to this impersonation and discontinued to work with [redacted] then approached the woman and told her that someone had been writing forged checks on her checking account and forging her signature on them. [redacted] then had this woman affix her signature to two blank checks. They told her that they wanted to use these checks for signature comparison purposes. They then filled out these checks in the amounts of \$800 and \$300. Within the past week [redacted] asked the informant to cash these checks for them at which time the informant saw the checks. However, he told them he did not have enough money to cash them.

b6  
b7C  
b7D

[redacted]

[redacted] have subsequently asked the unknown woman to transfer money to her checking account either from another bank or from a savings account. They sent her to the bank to draw out her funds for this purpose; however, the bank refused to give her the money. They have asked this woman to close out her account and withdraw her money.

b6  
b7C  
b7D

The informant furnished a business phone number for [redacted]. He stated [redacted] is employed doing gutter work repair and catch basin cleaning. He stated that [redacted] knew the identity and address of the above-mentioned woman.

105-4630

On April 16, 1965, the informant advised that he has known one [redacted] for approximately two years. During the past month or six weeks [redacted] has been coming into the Sheridan Recreation Center, 1004 West Wilson Boulevard, Chicago, and has discussed the following matter with the informant. [redacted] is a member of the National States Rights Party (NSRP) in Chicago and has been engaged in the process of organizing the NSRP. [redacted] has told the informant that he is trying to establish [redacted] in the Chicago area. The [redacted] are to be organized on a neighborhood basis and each [redacted] is to be given a district number. [redacted] has asked the informant to help recruit members for the [redacted] and has specified that he wants members who are big and tough and who do not care about getting into trouble. It is also desired that prospective members have some knowledge about firearms.

b6  
b7C  
b7D

According to the informant [redacted] works for an attorney who has offices in the loop by the name of [redacted] [redacted] who according to [redacted] is a leader in the NSRP. In addition to organizational work [redacted] also attempts to solicit clients for [redacted] in the Wilson Avenue area who are in one type of trouble or another. [redacted] has stated that he also serves legal papers for [redacted]. At this time the informant made available a business card which had been furnished him by [redacted] which reads as follows:

[redacted] reports - all reports in 27 hours, 931 West Sunnyside Avenue, Chicago 60640, Illinois, Phone 561-4993."

[redacted] has left some NSRP literature with the informant and requested that the informant distribute this literature to his friends and associates. Some of the literature consists of pamphlets which are strongly anti-Negro and anti-Jew. One of these pamphlets which have been seen by the informant contained a cartoon illustrating how to make a Negro out of a Jew and vice versa. Informant has seen an NSRP newspaper entitled "The Thunderbolt" which is purported to be printed in Birmingham, Alabama. [redacted] also has had lapel buttons in his possession which bear a design of a bolt of lightning or a thunderbolt. The informant stated that [redacted] appears to be violently anti-Jewish and goes into long tirades in this regard. He has asked the informant to attend meetings of the NSRP. However, the informant has declined to do so to date, telling [redacted] that he could not attend because of his (the informant's) working hours.

b6  
b7C  
b7D

On one occasions [redacted] solicited funds from the informant for the NSRP. At that time the informant donated \$3.00 to [redacted]. He stated that he did this for the purpose of maintaining a good relationship with [redacted] who frequents the informant's place of business and plays pool. [redacted] has also told the informant that the NSRP has a member by the name of [redacted] (first name believed to be [redacted] who is a member of the American Nazi Party (ANP). In addition [redacted] states they are interested in obtaining individuals who have had an interest in or been members of the Ku Klux Klan. During the course of this contact the informant was approached with regards to attending a meeting of the NSRP and obtaining additional information concerning this organization. He stated that [redacted] has asked him to attend meetings in the past which are generally held on Thursday evenings. The informant agreed to try to attend the meeting which will probably be held next Thursday night, April 25, 1965.

[redacted] not have any noted scars, impairments or other outstanding marks of identification. He was at one time arrested in Alabama with some of the leaders of the NSRP passing out pamphlets. This happened sometime during 1964 or 1963 and received a good deal of attention among the right wing.

[redacted] informed the group that the work in the plumbing was taking a little longer than had been originally expected. He advised that there had been an extra difficulty that had arisen as a direct result of the sudden cold spell that had hit Chicago. The pipes froze. The plumbers would not work on the pipes until they had been thawed out. [redacted] advised that he had plans for getting heat into the basement. There was some discussion about this for a few minutes and [redacted] advised that he would get the matter taken care of as soon as possible.

b6  
b7C  
b7D

[redacted] also said that he had news of the Headquarters in Glendale, California. The wife of the man in charge of the headquarters is pregnant. The city had cut off the electricity to the building and was refusing to have it turned on. This in addition to the number of other troubles that the small group there had been having. The information that [redacted] has, is that there appears to be general feeling of sympathy toward the members of the ANP at Glendale among some local citizens there. Although no direct request or order has been issued for contributions to this headquarters, the word is that they will be appreciated.

[redacted] also informed the group of some trouble that the Party has been having in Milwaukee, Wisconsin. When the Commander was in Chicago there was a large group present including [redacted]

and two young men he had brought down from Milwaukee with him. [ ] reminded the group of these two young men to freshen their memories. He then advised that the young blond man had just been released from a mental institution in Milwaukee after being confined there for a period of twenty some days.. The young man is reported to be the founder of a youth group in Milwaukee which operates much like the old Nazi Youth from the Damen Avenue Headquarters in Chicago. It was the activities of this group and in particular its leader that resulted in this young man being locked up, according to [ ] He advised that they attempted to prove him insane. However, the psychiatric findings showed him sane and they were unable to hold him.

b6  
b7C  
b7D

[ ] also advised that he had gotten some additional information on Mr. [ ] that would take care of him once and for all. He did not elaborate on this, however.

[ ] went for their Sunday night coffee and on returning [ ] informed [ ] that he had gotten the exact date of [ ]'s being arrested on a charge of indecent exposure. He said that he hoped that with this he could get additional information. [ ] said that there would probably be a court record and that if the information [ ] had was good enough, that he thought he might be able to get it.

b6  
b7C  
b7D

When they returned to headquarters, [ ] accompany back to his apartment. From one of the files he pulled a document and handed it to [ ] was a good deal surprised at what [ ] had and told him so. The document was from the files of the Chicago Police Department and was a copy of the arrest record of [ ]. It dated back to September, 1961, when he was arrested on a charge of indecent exposure. There were several other arrest items on this document. It bore the official address and the shield of the Chicago Police Department and also had [ ] Chicago police and FBI identification numbers.

[ ] complimented [ ] on his ability to secure this information and asked how it had been done. [ ] advised that he could not tell. He said that he had attempted to get it from one source but failing that had secured it through another. He did tell [ ] that it had cost him nearly \$50 to which [ ] replied that the expense was well worth it.

b6  
b7C  
b7D

[ ] advised that he would go to the records of the Chicago court during the coming week and if possible get a full copy of the court proceedings and file a full report to the Commander.

[ ] advised that that was his plan. [ ] was also told to be sure he treated the fact that [ ] had this information as very confidential.

b6  
b7C  
b7D

[ ] left the building and was driven home by [ ]  
The time then was about 10:00 or 10:30 PM.

As far as I can see, all the  
big politicians have crummy  
records. Mr. Goldwater has

been on the NAACP according to Thunderbolt and also approved of abolishing the Poll Tax and obviously made no statement toward the issues of Communists in our govt. and Immigration or Gold Currency standards. I do not know exactly how he stands now. I believe that he wants to have the U.N. ousted from the U.S.A. — so I read. Is this true? It would be a good idea.

As far as racial injustice goes, my opinion is that there would be no need of the KKK if someone (Negro or White) was not trying to go or force his way in where he wasn't wanted. Am I not right?

It has recently been learned from [redacted] and [redacted] that efforts to organize a National States Rights Party (NSRP) in Chicago are falling apart. RE: NATIONAL STATES RIGHTS  
PARTY (NSRP)

A characterization of the National States Rights Party is being set forth in the appendix to this letter-head memorandum.

The July, 1965 issue of "The Thunderbolt", the official newspaper of the NSRP, reflects that it is Issue #69. In the masthead of Issue #69, the mailing address of "The Thunderbolt" is reflected as "P. O. Box 184, Augusta, Ga."

Issue #68, dated June, 1965, of "The Thunderbolt", reflected the mailing address of the newspaper and the National Headquarters of the NSRP to be P. O. Box 783, Birmingham, Alabama, and 1865 Bessemer Road, Birmingham, Alabama, respectively.

Page eight of Issue #69 of "The Thunderbolt" carries an article captioned "NSRP Moves to Augusta, Georgia". This article reflects that the NSRP National Executive Committee had decided to move "The Thunderbolt" newspaper and "Party Headquarters" to Augusta, Georgia. It was also stated that this move would allow the NSRP to have "joint office" with "our Party's general counsel, Lawyer J. B. STONE-, (who is a Georgia-licensed attorney)". The article also stated that for the first time, the NSRP would receive great benefit from having "this outstanding legal mind on the headquarters staff on a full time basis." "His (STONER's) brilliant legal advice and work will be available to the Party 24 hours a day".

The above article continued by stating that the NSRP newspaper had been printed in Georgia for a long time and "trucked each month to Birmingham". It was stated that the move would place the NSRP much closer to the printer and would enable the NSRP to maintain a much smoother

operation. The article concluded as follows:

"From now on, send all correspondence to our new address:

National States Rights Party  
P. O. Box 184  
Augusta, Georgia"

On page 12 of Issue #69 of "The Thunderbolt", is an announcement captioned "IMPORTANT ANNOUNCEMENT". Under this heading is a statement "The Thunderbolt Moved To Augusta, Georgia". RE: NATIONAL STATES RIGHTS PARTY

A characterization of the National States Rights Party is being set forth in the appendix to this letter-head memorandum.

The July, 1965, issue of "The Thunderbolt," the official newspaper of the National States Rights Party (NSRP), reflects that it is Issue #69. In the masthead of Issue #69, the mailing address of "The Thunderbolt" is reflected as "P. O. Box 184, Augusta, Georgia."

At 11:00 A.M. on the morning of July 20, 1965, a Special Agent of the Birmingham Office of the Federal Bureau of Investigation observed a Garrison Van Lines motor truck, Birmingham, Alabama, parked at the NSRP National Headquarters, 1865 Bessemer Super Highway, Birmingham, Alabama. This truck was being loaded with furniture and equipment from NSRP Headquarters.

On the morning of July 20, 1965, Birmingham Confidential Informant T-1 advised that Dr. Edward R. Fields and his family were moving from their residence at 1509 Mims Street, Southwest, Birmingham, on this date. T-1 advised that Mrs. Fields had informed that they were moving to Georgia; however, the Fields' family furniture had not been moved out of their residence as of Noon, July 20, 1965.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On August 4, 1965, SV T-2 advised that several men who appear to be "below standard" have moved into the office space at Room 206, Marion Building, Augusta, Georgia, next door to attorney [redacted] in the same building. This source said he had seen several individuals entering this office space but none of them appeared to be willing to talk to other tenants in the building. The source said he understood these men had discouraged the Negro employees of the building who come into the various offices to clean this space from entering the office space occupied by this group. This source continued the real estate firm, Bolton and Wakeley, which occupies space on the 8th floor of the Marion Building, 739 Broad Street, Augusta, Georgia, handles the rental of office space in this building.

SV T-3 advised on August 2, 1965, that Dr. Edward R. Fields, his wife and several children had recently moved to

425 Audubon Circle, Belvedere, South Carolina. This source stated that a Mrs. [redacted] Belvedere, South Carolina, and Mrs. [redacted] had reported to some of the neighbors that shortly after the Fields family moved into [redacted] Dr. Fields had come to the residence of Mrs. [redacted] to use her telephone. He had asked if it was a party line and stated that he was attempting to get a private line at his residence but the telephone company at Augusta had told him there were no private lines available and that he would have to take a four-party line. Dr. Fields had inquired of Mrs. [redacted] as to the amount of her house rent and stated that he was paying \$95 per month. He had inquired of Mrs. [redacted] if there were any Negroes in the neighborhood and if any Negroes had applied to attend the Belvedere, South Carolina, Elementary School. When Mrs. [redacted] informed him that to her knowledge there had been no Negroes applying to enroll in this school, Fields reportedly stated that he planned to have his children go to this school and that if any Negroes attempted to enroll in this school he would get a couple of "our boys" and go over there and meet them. He had reportedly told Mrs. [redacted] that he published a paper at the Marion Building but had not indicated what kind of paper it was. Mrs. [redacted] had reportedly told neighbors that the Fields family did not appear to be the type individuals the neighbors would want their children to associate with because of Dr. Fields' statements regarding Negroes.

SV T-4 advised on August 4, 1965, that Augusta telephone number 724-0752 is listed to the NSRP, Second Floor, Marion Building, Augusta, Georgia, and that this same number is listed to Attorney J. B. Stoner and Dr. Edward R. Fields in the same building.

On August 5, 1965, a call was made to 724-0752, asking for Attorney J. B. Stoner. The person answering advised that Stoner was not there and was not expected there any time in the near future; however, messages may be left there for Stoner. The person answering the phone stated that the office had been opened only about two weeks and that Stoner could be reached in care of Attorney James R. Venable, Tucker, Georgia, and that Stoner resided there. The person answering stated that Stoner

had a case at Montgomery, Alabama, and was expected to go there in a few days for a stay of unknown duration.

On August 5, 1965, SV T-5 advised that the NSRP, Room 206, Marion Building, Augusta, Georgia, had obtained the services of the Fourcher Gun, Lock and Safe Company, 1750 Broad Street, Augusta, Georgia, to change the lock on the front door of the office at the Marion Building. This source said that he had occasion to enter the office space at 206 Marion Building, Augusta, Georgia, and had observed Dr. Edward R. Fields, who had identified himself, and two other young white men working there. They appeared to be addressing envelopes in which were placed copies of "The Thunderbolt". The source said a copy of "The Thunderbolt" had been given to this source by Dr. Fields, who said that the source might enjoy reading it. The source said this was a copy of "The Thunderbolt", issue number 69, dated July, 1965. The source stated that Dr. Fields had contacted Fourcher Gun, Lock and Safe Company at Augusta on August 5, 1965, inquiring about the price of a small safe. Fields had in his possession at the time a card index box about 15 inches long apparently made for a 3 x 5 index card. Fields said he wanted the safe to be large enough to accept this card index box. The source stated that Fields did not purchase a safe but stated he was going to take his family to Daytona Beach, Florida, for a week or ten days vacation and that he would decide upon a safe after his return to Augusta.

On August 5, 1965, at 425 Audubon Circle, Belvedere, South Carolina, a 1962 white over red Pontiac Tempest was observed and that it was noted it was bearing 1965 Alabama license 1-92913.

On August 2, 1965, a 1952 black Chevrolet, bearing 1965 Alabama tag 1-92921, was observed at this residence.

These vehicles have been determined previously to belong to Dr. Edward R. Fields, who address was previously 1509 Mims Street, Southwest, Birmingham, Alabama.

On August 2, 1965, Mr. [ ] Special Agent, Intelligence Corps Group, Fort Gordon, Georgia, and Chief of Police Broadus Bequest of the Augusta, Georgia, Police Department, were advised of the location of the NSRP in the Marion Building, Augusta, Georgia.

SV T-5 is Mr. [redacted] for

The observations at 425 Audubon Circle, Belvedere, S. C., on August 2 and August 5, 1965, were made by SA [redacted]

For the information of Birmingham, Mrs. [ ] said that she understood that Dr. FIELDS is a chiropractor and there is a question in her mind as to why he had settled in Belvedere, S. C., and particularly next door to Mrs. [ ]. She said this might be purely coincidental but she mentioned her domestic difficulties with her husband and wondered if her husband may be associated in some way with Dr. FIELDS. Mrs. [ ] said that her husband, [ ] Clay County, Ala., [ ] occupation [ ] and Mrs. [ ] had lived together at Sylacauga, Ala., from about 1955 to 1960. At the time he practiced his profession as a [ ]. She divorced [ ] in April, 1962, at Talladega County, Ala., and she had been told by her attorney that [ ] was a homosexual. He reportedly had taken up with one [ ] who lived at Sylacauga, Ala., at the same time the [ ] lived there. [ ] was reportedly a homosexual also. Mrs. [ ] said that [ ] had had a mental disturbance and spent some time, perhaps six weeks, at Bryce State Hospital, Tuscaloosa, Ala., and she understood that he was released by that hospital before he was cured. She stated she had found it necessary to run away from him, taking the children, because he was so cruel to her. She said she had moved to Augusta, Ga., vicinity and is now employed as an occupational therapist at the Forest Hills Division of the Veterans Administration Hospital in Augusta. She said that [ ] had in some way found her residence and now comes by occasionally on week-ends to see the children. She said they have a [ ] and a [ ] but she refused to permit [ ] to enter her house. He had on occasions talked to the children in the yard. He had told the children he is a consultant for the State Rehabilitation Service in Birmingham, Ala., but allegedly was transferred to Atlanta, Ga. She said this did not make sense to her and she was of the opinion that he may have been trying to impress the boys with his importance. She said she had found he is completely unreliable and unfaithful. She also stated it was her understanding that [ ] after she and the children had left him in Sylacauga, Ala., reportedly practiced as a chiropractor in Birmingham, Ala., around 1961. She said since she understood that FIELDS was a chiropractor, had settled next door to her and that [ ] that she wondered if [ ] may be associated with Dr. FIELDS in any way.

SUBJECT: NATIONAL STATES RIGHTS PARTY,  
RACIAL MATTERS (Organization)

Captioned matter was opened for submission of reports on members of the National States Rights Party at Chicago, Illinois. Such reports have been submitted.

Chicago files do not indicate the existence of the National States Rights Party as an organization in Chicago at this time. While sporadic activity on the part of certain individuals affiliated with the organization, has been seen, nothing of a significant nature is noted that would warrant further inquiry into the organization at this time.

It has been reported in May, 1965 that efforts to organize a National States Rights Party in Chicago are falling apart. One of the major problems is the lack of a place to meet, however, the main source of contention seems to be based on the opinion of those interested in the NSRP in Chicago that there is dissension in the ranks of the organization in Birmingham, until recently the headquarters of the organization.

both of whom have furnished reliable information in the past, and both of whom are current members of the NSRP, advised on 8/23/65 that they have no information indicating an NSRP organization as such, actually exists in Chicago at the present time.

b7D

In view of the above, it is recommended this matter be placed in a closed status. Activities of the subject organization, should they arise, will be covered and reported by above mentioned informants.

[redacted] mentioned to those present that currently there are no outstanding bills to be paid. The building payment for September is due, but they are nevertheless in a current status. It is not really known how [redacted] manages payment of these bills with the income he is known to receive. It is suspected that he has an outside source of income for these purposes.

[redacted] mentioned that GEORGE LINCOLN ROCKWELL's campaign for governor has not officially opened. He apparently is giving some speeches; however, he has not commenced his tour as yet.

[ ] announced that the members of the American Nazi Party must have no relationship with members of the National States Rights Party from a political standpoint. It was not explained what brought about this order but generally the two groups are not in agreement on their political views.

Along these same lines [ ] announced that no one shall be recruited for membership in the American Nazi Party who professes the Odinist religion [ ] has recently indicated he is an ordained priest in this faith and has indicated he has become somewhat "sore" in taking up this religion.

Nothing of consequence took place during the balance of the evening and the meeting was terminated.

Re Birmingham teletype to Director, 9/7/65,

CONRAD (CONNIE) LYNCH, local racial agitator  
from the State of California, was scheduled to make speeches  
in the vicinity of Miamitown, Ohio, (near Cincinnati, Ohio),  
nights of September 17, 18, and 19, 1965, under the sanction  
of the National States Rights Party, Dayton, Ohio. The three  
speeches were to be held on the business property owned by  
one [redacted] Miamitown, Ohio.

During PM of 9/17/65, information was received  
from Captain [redacted] Hamilton County Sheriff's Office,  
Cincinnati, Ohio, that Mr. [redacted] abruptly cancelled  
the use of his property to the NSRP, Dayton, for speeches  
scheduled to be made by LYNCH. Captain [redacted] surmised that  
the reason [redacted] cancelled the use of his property in  
this regard was because he learned, in time, that LYNCH was  
planning on attacking Negroes, Jews, and the Federal Govern-  
ment, in connection with his speeches.

b6  
b7C

Captain [redacted] said that to the best of his  
knowledge, LYNCH was probably very disgruntled over the  
cancellation of his pending speeches in Cincinnati, and

[redacted] advised SA [redacted] 10/13/65, that CONNIE LYNCH, a racial agitator, was to hold a rally at the NSRP Headquarters in Dayton, Ohio, on Sunday, 10/17/65. LYNCH is to leave Dayton for Indiana where a rally was scheduled for a short time later on an unknown date, and location. LYNCH also has subsequent rallies scheduled in Chicago and St. Louis, in that order, but dates and exact locations are unknown.

It is noted that Mrs. [redacted] (conceal - reliability unknown), a new source in Dayton, advised SA [redacted] on 10/13/65, that she had received an announcement from the Dayton NSRP which reflected that CONNIE LYNCH was to have a "white peoples rally" at 411 North Elm Street, Muncie, Indiana, on Tuesday, 10/19/65, at 7:30 p.m. This rally was apparently sponsored by the NSRP, P. On October 3, 1965, a meeting of the Chicago American Nazi Party was held at that organization's headquarters, 1314 West Ohio Street, Chicago, Illinois. [redacted] Officer in Charge at Chicago, presided at this meeting.

[redacted] to the meeting whose name is [redacted]  
[redacted] and does not appear to be opposed to the activities of the American Nazi Party. This, however, does not indicate she is in favor of their activities.

[redacted] announced to those present that a new Jewish movement had started in the Chicago area. It is known as the National Socialist Zionists. The aims of the new movement appear to be racist in nature and they hope to repatriate to Israel. The new organization is looked upon with some amusement in that their name would imply they are Nazi Jews. They maintain a type of office or headquarters at an unknown address on Sheridan Road.

It was learned that the National Headquarters of the American Nazi Party in Arlington, Virginia, is attempting to secure \$17,000.00 to buy prime TV coverage concerning the campaign of GEORGE LINCOLN ROCKWELL, the organization's national commander. He is currently running for governor in the State of West Virginia.

Nothing of particular consequence took place during the course of this evening. No plans were announced for the Chicago organization and apparently no activity is in the making.

It was learned that [redacted] recently lost his job at [redacted]. This had some connection with his arrest recently at the Civic Opera House in Chicago where he was demonstrating in protest of a Jewish bond raising function. It is understood [redacted] has undertaken new employment at a firm known as the [redacted]. [redacted] Its location is not known. [redacted] will apparently work in a clerical capacity.

This meeting began shortly after 8:00 p.m. It was conducted by [redacted] and those present included [redacted]

b6  
b7C  
b7D

[redacted] advised that [redacted] had gone to a farm owned by [redacted] in Wisconsin or Minnesota, in order to get more furniture for the Chicago Headquarters building and that he hoped to be back in Chicago during the coming week.

[redacted] again gave the financial report regarding the building, and rather jokingly advised that he had planned to ask for funds, but on seeing those present and realizing the financial condition that they were all in he decided against it.

He also advised that the campaign in Virginia had been going along very well.

He informed the group that there would be no new issues of The Stormtrooper until after the campaign is over.

At the present time he advised the group that Arlington is now publishing a newspaper which is being distributed in Virginia and that the name of the paper is, The White American. It is a paper that is designed to help ROCKWELL in his campaign and as such is a political organ.

[redacted] made the same remarks regarding the other political candidates for the Governorship of Virginia that [redacted] had made. He also made a reference to the Ku Klux Klan, but he advised that the Klan might hurt ROCKWELL's chances in Virginia.

[redacted] asked him to explain why it was that [redacted] said that the Klan could help ROCKWELL, but that he - [redacted] - felt that the Klan would be a hinderance to ROCKWELL.

b6  
b7C  
b7D

[redacted] explained that if the Klan gets strong enough in the State of Virginia the people may feel that it won't make any difference who they vote for, because if the Klan is strong enough they will virtually run the state, regardless of who, or what party, is in power in that state.

As has been stated before, ROCKWELL has always instructed his men to avoid violence, and not to engage in any acts of violence or to foment violence. He has also advised them not to

form any political alliances with such groups as the Minutemen, the National States Rights Party, or the Ku Klux Klan, because all of these groups will engage in acts of violence at any time that they feel that they may help them meet their desired goals.

Following the meeting which ended shortly before 9:00 p.m., [redacted] house.

[redacted] was trying to raise some money, in order to attend a course in accounting, and he needed \$50.00 to enroll in the course. He advised that the money would be returned within two weeks at the most. He had earlier approached [redacted] in regards to this, but [redacted] had been unable to be of any assistance to him.

b6  
b7C  
b7D

[redacted] is living behind a store in the 1100 block North, the second street east of Western Avenue.

He has been living there for over one year at the present time. At one time he shared his living quarters with [redacted] for a few months. This is a neighborhood that is in the latter stages of a period of transition, from all white to Spanish speaking, and Negro elements, generally of a lower class, or lower working class element.

[redacted] parked on Western Avenue and he and [redacted] walked down a sidestreet to [redacted] residence. [redacted] asked that [redacted] not enter the building or be seen by [redacted] since he wanted to ask for money in private. He also informed [redacted] that if he were not out in three or four minutes that [redacted] should not wait for him but go on home.

[redacted] to the door, and then left him there, walking back west towards Western Avenue, and waiting at the end of the block. In about one minute [redacted] appeared, and on reaching [redacted] advised him that [redacted] was not at home.

b6  
b7C  
b7D

They returned to [redacted] then dropped [redacted] off at the Fullerton Avenue "L" Station, then going home himself. It was then about 10:30 p.m.

NATIONAL STATES RIGHTS PARTY (NSRP)

On September 27, 1965, SV T-1 advised that [redacted] who has been working in the office of the National States Rights Party (NSRP), a characterization of which is attached hereto in the appendix, had been seen to enter on the morning of September 18, 1965, the office with a suitcase. A short time later Cameron was seen leaving with the suitcase alone. This source stated that Cameron had not been seen at the offices of the NSRP since that time.

On October 28, 1965, SV T-1 advised that he had observed that the Railway Express Company delivers a number of cardboard boxes to the NSRP about once a month and these boxes come from Monroe, Ga. He said he had noted no specific return address on these boxes, but it occurred to him that these boxes probably contained the issues of "The Thunderbolt", self-described as the organ of the NSRP, and this source was of the opinion that "The Thunderbolt" is printed in Monroe, Ga., shipped to Augusta, Ga. to the NSRP, from which point it is distributed to the subscribers.

On October 28, 1965, SV T-1 reported that Jessie Benjamin Stoner has now set up offices in the same office suite with the NSRP on the second floor of the Marion Building in Augusta, Ga. This source stated that the name J. B. Stoner, Attorney, Room 204-206, was added to the directory of the Marion Building on October 27, 1965. This source stated that Stoner has been seen entering the offices of the NSRP almost daily for the past two to three weeks. The source said that Stoner has not been seen entering the office during

NATIONAL STATES RIGHTS PARTY

October 28, 1965.

SV T-1 reported that there are now two ladies working in the office of the National States Rights Party and they have been working there for a week or two. He stated that it appears that Doctor Edward R. Fields, Stoner, and the two ladies are the only employees working in this office at the present time.

SV T-1 reported that Doctor Fields was not seen entering his office for about two days around October 15, 1965.

On October 28, 1965, SV T-2 reported that Doctor Edward R. Fields parks his 1962 Pontiac Tempest bearing 1965 Alabama tag 1-92913 in the parking area of the Allright Automobile Parking Company, 736 Reynolds Street, which is directly behind the Marion Building, which faces Broad Street in Augusta, Ga. This source stated that he had observed Attorney Jessie Benjamin Stoner to start using the parking facilities of this parking lot about two to three weeks ago. He said Stoner had been seen driving about a 1960 or 1961 Oldsmobile or Pontiac, green and white in color, but he had not noted the license plate on this vehicle. This source continued that Fields and Stoner come together to the parking lot on many occasions and leave together on many occasions. He said he had also noted that Fields will use Stoner's car, and vice versa, on occasions. This source said he had not seen Stoner in the parking area on October 28, 1965. He also recalled that Fields had said about two weeks ago that he was going to Atlanta, Ga. for the week end to visit his parents, as this source recalled.

On September 27, 1965, SV T-3 advised that he had observed a Lincoln Continental, dark in color, about a 1964 model, parked at the residence of Doctor Edward R. Fields, 425 Audubon Circle, Belvedere, S. C. This Lincoln was seen at this residence during the afternoon, but the license number was not obtained and the person visiting the Fields' was not identified or seen.

On October 28, 1965, SV T-4 made available a copy of the October, 1965 issue of "The Thunderbolt", issue number 71. On the first page of this issue appears a picture of Attorney J. B. Stoner and states that Stoner, in an article attached, has petitioned the entire House of Representatives to rebuke Chairman Willis of Louisiana and to stop this committee from trying to run rough shod over the rights of white people who are standing up against race mixing

## NATIONAL STATES RIGHTS PARTY

The article in discussing the Ku Klux Klan hearings before the Un-American Activities Committee, states that the House Committee on Un-American Activities has slipped into the hands of the left wing liberals and is being used to persecute Southern white people who are standing up for the separation of the races. The article further states that when the first klansman to take the witness stand, Robert Gentry of Murfreesboro, Tennessee, and refused to answer questions of the Committee, Chairman Willis threatened and tried to coerce Gentry into giving testimony.

Also on the first page of this issue is an article stating that George Lincoln Rockwell had filed a libel suit against Doctor E. R. Fields, Editor of "The Thunderbolt" for some of the charges Fields had made against him in "The Thunderbolt" and in various letters. He said that the article which is signed by Doctor E. R. Fields, Editor of "The Thunderbolt", states that Fields and Rockwell had agreed upon a retraction which is quoted in the article. The retraction states that while Fields disagrees 100% with Rockwell on his approach, Fields knows him to be completely dedicated to America and the white race. The retraction states that Rockwell is a staunch American patriot and has never sold out to the Communists, Jews, Zionists, Drew Pearson, or anyone else.

Page 2 of this issue of "The Thunderbolt" carries a petition to the House of Representatives, United States Congress, Washington, D. C., signed J. B. Stoner, Attorney at Law, Marion Building, Post Office Box 184, Augusta, Georgia. The petition deals with the investigation by the House Committee on Un-American Activities of the Ku Klux Klan and Gentry, Stoner's client, after stating that Gentry had on September 27, 1965, invoked the Fifth Amendment to the Constitution upon Stoner's legal advice, and would continue to do so. The concluding paragraph petitioned the House of Representatives to pass a resolution reprimanding Chairman Willis, the House Committee on Un-American Activities, and Investigator Ray McConn for misusing a congressional committee to persecute a patriotic, white, Christian, American citizen, and to order them to cease and desist..

## NATIONAL STATES RIGHTS PARTY

Page 3 of the October issue of "The Thunderbolt" states in an article entitled "Voting Registrars; Federal Occupation" that there are now Federal voting registrars in many parts of the South. It states that they are in direct violation of the United States Constitution which gave the individual states the rights to establish qualifications for voters. It continues that when the first Federal voting registrar moved into the South, the South became a victim of the illegal and brutal force of Federal occupation. It continues that "they have moved in forces of hoodlum-like FBI Agents to guard and protect these Federal voting registrars".

On Page 4 of the October issue of "The Thunderbolt" in an article entitled "Florida Report - NSRP to be on May Ballot" by W. Eugene (Gene) Wilson, Director, Duval County, Florida, NSRP, it is stated that the NSRP will use the Democratic Primary in Duval County in 1966 and function as a party within a party. It continues that in Duval County the NSRP shall run candidates in the Democratic Primary in May on the NSRP platform. The article states that a candidate has not been selected, but every effort would be made to defeat Congressman Charles E. Bennett and replace him with a member of the NSRP.

Also carried on Page 4 of the October issue of "The Thunderbolt" is an open letter to the President by Doctor Edward R. Fields. The open letter is dated September 20, 1965, and addressed to President Lyndon Johnson, White House, Washington, D. C. The letter criticizes President Johnson for what it calls tax by his administration against the white people in America. The letter states that Fields did not understand why President Johnson had passed Civil Rights bills oppressing the rights of white people and his threats to cut off money to public schools unless the white and Negro children are mixed. The letter continues that the administration's appeasement and giveaway programs to the Negro race was only making them (Negroes) more arrogant and more demanding. The letter concludes with a demand for President Johnson's resignation from office and states that Fields is looking forward to the day when President Johnson would be removed from office.

On Page 5 of "The Thunderbolt", October, 1965 issue, in an article entitled "California Report: Rapid NSRP Growth", attributed to Neuman R. Britton, California State Organizer of the NSRP, San Bernadino, California, states that the riots in Los Angeles had caused

## NATIONAL STATES RIGHTS PARTY

many more Californians to see the Negro for what he actually is and claims that the white people of that state are now more against the Negroes than are the white people of the South. The article claims that this race war that broke out in Los Angeles increased the NSRP's strength in California and resulted in more chapters. It states that the NSRP is preparing to run its candidates for Congress and the California State Legislature in 1966. In this article Britton offers to assist chapters in organizing and states that during the winter months, Doctor Edward R. Fields, Reverend Connie Lynch, and Attorney J. B. Stoner will be in California for mass meetings and urges readers to hear the speakers.

On Page 9 of the October issue of "The Thunderbolt" is quoted an article by Robert H. Collins of the St. Louis Post Dispatch staff stating that Allen O. Kern, Missouri Chairman of the NSRP, had organized a youth organization of American Racial Nationalists there. Kern was quoted as saying that the youth group was formed several months ago and had been meeting frequently to receive instruction from local leaders of the party. The official name of the organization was set forth as the National States Rights Party Youth Movement. It stated that the identities of the members of the movement were not being disclosed to anyone at this time.

On Page 10 of the October issue of "The Thunderbolt" is an article entitled "Katzenbach Orders FBI Investigate Private Schools". In this article a reference is made to an article that appeared in August in the Charleston News and Courier concerning FBI Agents having been ordered by Attorney General Katzenbach to investigate private white schools established in South Carolina. The article continues that it appears the Federal Government is determined to discourage development of private schools. After quoting the article from the Charleston News and Courier, the following paragraph appeared:

"This editor has long felt that at some point in this struggle to preserve our race, we should have to openly defy the Federal tyrants and have it out with them once and for all. Already in Louisiana the Jew Katzenbach is suing to force private white clubs to accept Negroes."

DETAILS:

NATIONAL STATES RIGHTS PARTY (NSRP) ACTIVITIES IN ALABAMA

A characterization of the NSRP is being set out in the appendix of this report.

On November 4, 1965, Birmingham Confidential Informant T-1 advised that as of October 19, 1965, the NSRP maintained its National Headquarters in the Marion Building, Augusta, Georgia. BH T-1 stated that the NSRP continued to publish "The Thunderbolt" and its current mailing address was Post Office Box 184, Augusta, Georgia.

BH T-1 also advised he had learned that in October 1965 Dr. EDWARD R. FIELDS, Director of the NSRP and Editor of "The Thunderbolt," was residing at 425 Audubon Circle, Belvedere, South Carolina.

BH T-1 further stated he knew of very little NSRP activity within the state of Alabama since Dr. FIELDS and the NSRP had moved away from Birmingham, Alabama, during July 1965.

On April 27, 1965, BH T-1 advised that as of that date [redacted] was employed full time at NSRP Headquarters, 1865 Bessemer Road, Birmingham, Alabama. BH T-1 stated [redacted] was working at NSRP Headquarters on April 27, 1965, and made known that [redacted]

[redacted] BH T-1 also stated that [redacted] was then the National Treasurer of the NSRP.

On May 11, 1965, BH T-1 further advised that on that date he visited NSRP Headquarters in Birmingham at which time [redacted] was present and working in the NSRP Headquarters. The leaflet in part reads as follows:

"REMEMBER FRANK L. BRITTON

"Frank L. Britton was the Editor of 'The American Nationalist,' a well-known right-wing publication during the 1950's. Mr. Britton has been in Folsom prison (in Calif.,) almost five years now on the insignificant charge of 'attempting to bribe a police officer.' The case began over a minor street infraction, which the court dismissed. It was then charged that Britton tried to give the arresting officer some money not to take him in. (This is like giving a policeman five dollars not to give you a traffic ticket.) Anyway, Frank L. Britton was given 1 yr to life as a result. Most men would be released within a few months on such a charge. BUT BRITTON HAS NOW BEEN IN FOLSOM MAXIMUM SECURITY PRISON FOR ALMOST FIVE YEARS, WITH NO RELEASE IN SIGHT. The last parole officer to review his case was a Negro, who turned Britton down. Armed robbers and other dangerous criminals have been released in much shorter time than what Britton has already served. Atty. Stoner will visit with Mr. Britton in prison on June 18th and we hope that arrangements can be made at that time for a new hearing. It is our goal to reopen this case in the federal courts. Atty. Stoner will handle the appeal. We will give you a more detailed report on this case when Mr. Stoner returns. From there Atty. Stoner will go to Los Angeles for a series of meetings. This is a stronghold for NSRP and Atty. Stoner hopes that a Headquarters can be opened in Southern Calif. San Bernardino and San Diego will be other stops during Atty. Stoner's trip. We feel that our Movement is needed more now in the West Coast than ever before. This entire tour will take about a month and a half. Atty. Stoner will be the guest of Mr. Robert F. Anderson while in Los Angeles. It is important that this speaking tour be a big success and we know that local supporters will do all in their power to see that it is. This is but a part of the over all national drive of NSRP. We plan more speakings and other action moves this Summer. To step up our program, we need your help!"

BH 105-477

### UNITED KLANS OF AMERICA, INC., KNIGHTS OF THE KU KLUX KLAN

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on August 4, 1965, that the United Klans of America, Inc., Knights of the Ku Klux Klan, is currently an active organization, with Klaverns in several Southern states. Chicago, Illinois  
November 4, 1965

Activity of the American Nazi Party (ANP) in Chicago, Illinois, has diminished a great deal in recent weeks. There is almost no attendance to speak of at meetings. As a result no actual meetings as such have been held in the past several weeks. Some of the trouble apparently is the lackadaisical attitude of the men at Party Headquarters in Chicago. Actually the quality of the men associated with the Party at the present time in Chicago is below the quantity and as a result there is no activity.

A small group continued to appear at headquarters and conduct "bull sessions" but little is done beyond this. This group as a rule is composed of [redacted]

[redacted] and until recently [redacted]

[redacted] There is a new man at headquarters at this time whose name is unknown. He is a [redacted]

b6

He is very hard to understand at times but this is not due to an accent. It is believed he is just careless in his speech habits and does not speak clearly. Nothing additional is known about this man at this time.

There apparently have been no developments regarding the building violations at headquarters. At least nothing has been said concerning this matter.

It was learned recently that [ ] is still operating with the National States Rights Party (NSRP) in Chicago. Apparently [ ] has been spending a great deal of time recently with [ ]

[ ] has had no recent activity with the ANP in Chicago. Apparently [ ] is the "Mr. NSRP" in Chicago, although his formal position or title is not known. [ ] resides at [ ]

[ ] His employment is not known. [ ] has recently been seen driving an automobile, although the description of this car is now known. There is a possibility that this car may be his girl friend's rather than his own.

[ ] recently has claimed that he is now out of politics entirely. He is working for an unknown decorating

He continues to hang around with [ ] who it is said is highly critical of the ANP. [ ] is living on the North Side of Chicago, approximately [ ]. It was learned his present telephone number is [ ]. [ ] left the Chicago headquarters on Friday, October 29, 1965; it is said he returned to Milwaukee. When he departed he left his ANP membership card and the sum of \$25.00 to take care of certain outstanding bills he had in Chicago. [ ] did not get along well when both resided at the Party headquarters, 1314 West Ohio Street, Chicago. It is also said that [ ] left a note when he departed, although the contents of this note are apparently known only to [ ]. [ ] is claimed to have grown tired of living conditions at the headquarters and wanted to find a place of his own in which to reside.

The Chicago organization's old Cadillac automobile recently broke down in Ohio. [ ] and [ ] were driving in the car to Arlington, Virginia. They had not long before that time spent \$135.00 in repairs on the car. They left the car in Ohio and returned to Chicago on the bus.

One of the chief topics of discussion at Party headquarters recently was the suicide of DAN BURROS. Apparently everyone was surprised to learn that BURROS was a Jew. Second in importance as a topic of discussion is ROCKWELL's past campaign for governor in the State of Virginia. No one apparently felt ROCKWELL had a chance and as a matter of fact indicated they believed he would be lucky if he received 3% of the vote.

There has been nothing new regarding the formal opening of Party headquarters in Chicago. There are no current plans regarding activities and things for the most part are "rocking along as usual."

Re Birmingham teletype to Director dated 9/7/65  
and Cincinnati airtel to Director dated 10/15/65.

The Chicago Division has received no information  
indicating possible appearance in the Chicago area by members  
of the National States Rights Party (NSRP).

Chicago files do not indicate the existence of the  
NSRP as an organization in Chicago at this time. While  
sporadic activities on the part of certain individuals  
affiliated with the organization have been seen, nothing of  
a significant nature is noted.

It is noted that on May 6, 1965, [redacted]  
who has furnished reliable information in the past, advised  
that apparently efforts to organize the NSRP in Chicago  
are falling apart. One of the major problems is the lack  
of a place to meet. However, the main source of contention  
seems to be based on the opinion of those interested in the  
NSRP in Chicago that there is dissension in the ranks of  
the organization at its national headquarters.

APPENDIXAMERICAN NAZI PARTY,  
CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1962, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second source advised on October 8, 1964, that the Chicago branch of the American Nazi Party is currently located at 1314 West Ohio Street, Chicago, Illinois.

A characterization of the national organization follows.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION  
OF FREE ENTERPRISE NATIONAL SOCIALISTS,  
ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by ADOLF HITLER. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that GEORGE LINCOLN ROCKWELL believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated ROCKWELL believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

NATION OF ISLAM, Formerly Referred  
to as the Muslim Cult of Islam,  
Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 7, 1965, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 3, 1965, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

Re: NATIONAL STATES RIGHTS PARTY

On December 1, 1965, SV T-1, who has reported reliable information in the past, advised that the National States Rights Party (NSRP) a characterization of which is attached as appendix, continues to occupy Room 204-206, Marion Building, Broad Street, Augusta, Georgia. This source stated that during most of October, 1965, in addition to Dr. EDWARD R. FIELDS, there were two women working in the office one of these women discontinued working around November 1, 1965, and only one woman remained until the latter part of November, 1965, when a girl of high school age started working in the afternoons.

SV T-1 reported that J. B. Stoner, an attorney with the NSRP had his name added to the Marion Building Bulletin Board on October 27, 1965. Stoner has been observed at the NSRP Office late at night and early on the following mornings, and SV T-1 believes Stoner spends some nights in the office of the NSRP where there is a couch.

On November 18, 1965, SV T-2, who has reported reliable information in the past, advised that J. B. Stoner, registered at the Seven Gables Motel on October 31, 1965 showing his address as the Marion Building, Augusta, Georgia, and stayed until November 7, 1965, occupying House #1. He checked out and returned on November 7, 1965, staying in the same house, #1, until November 14, 1965. The source said that Stoner returned on November 16, 1965, and stayed in House #5, at which time he registered showing his address as Route 1, Mableton, Georgia.

Re: NATIONAL STATES RIGHTS PARTY

J. B. Stoner - Vice Chairman, NSRP, would speak at a rally of the NSRP at Baltimore, Maryland, at 8:00 P.M., November 19, 1965. Persons interested were instructed to obtain more details by calling Richard Norton or Lynn Clavey, NSRP leaders in Maryland.

On November 1, 1965, SV T-3, who had reported reliable information in the past, advised that J. B. Stoner drives a 1960 Oldsmobile, white over green, with Georgia tags, 7A-4204, and this vehicle had been seen at the Allright Parking Lot, 736 Reynolds Street, directly behind the Marion Building (Headquarters for the NSRP). This source stated that Stoner occasionally uses the 1962 Pontiac Tempest, white over red, Alabama tags (1965) 1-92913, which is owned by Dr. Edward R. Fields, Director of the National States Rights Party, in driving around Augusta, Georgia.

The November, 1965 issue of the Thunderbolt lists Dr. Edward R. Fields as Director of the National States Rights Party, and Editor of the Thunderbolt. This issue reflects Rev. Connie Lynch, "one of our most dynamic 'rabble rowing' speakers", is still on a speaking tour speaking at NSRP meetings in Ohio, Indiana, Missouri, Alabama, and Florida. The paper reflected that Lynch had spoken at NSRP rallies at Jacksonville, Florida, on November 6, 7, and 8, 1965, and later appeared at rallies at Vero Beach, Florida. The paper announced that Dr. Edward R. Fields were to be featured speakers at the NSRP rallies of Duval County, Jacksonville, Florida, on November 20, and November 21, 1965.

SV T-4 advised on November 22, 1965, that Dr. Edward R. Fields went to Jacksonville, Florida, by Delta Airlines, leaving Augusta, Georgia, November 20, 1965, and returning to Augusta, late on the evening of November 21, 1965.

On November 5, 1965, SV T-3 said he had seen an individual whom he identified from photographs of Rev. Charles Connie Lynch as being Rev. Lynch, on the Allright Parking Lot, with J. B. Stoner, on November 5, 1965. Lynch was driving a 1957 Cadillac with California License LXX-891, which was left on the Allright Parking Lot while Stoner and Lynch went in the Marion Building (headquarters for NSRP). SV T-3 advised that Lynch nor the Cadillac were seen around Augusta after November 5, 1965.

Re: NATIONAL STATES RIGHTS PARTY

The November, 1965 issue of the Thunderbolt announced that Dr. Edward R. Fields would be the featured speaker at the NSRP rally in Birmingham, Alabama on December 5, 1965, and that Kenneth Adams, Chairman of the NSRP at Anniston, Alabama, would be the other speaker.

The same issue of the Thunderbolt said that Dr. Fields would speak at an NSRP Rally in Chicago, Illinois, on December 29, 1965.

The November 28, 1965, issue of the Augusta-Chronicle-Herald, a local daily and Sunday Newspaper published at Augusta, Georgia, carried a UPI news release stating that Attorney J. B. Stoner would defend Johnny Ira Defries, Lewis Blevins, and Dubert Damon Strange, on first degree murder charges at Anniston, Alabama, in the slaying of Willie Brewster.

The December 3, 1965, issue of the Augusta Chronicle, carried a report on the trial of Strange, and said that the jury at Anniston, Alabama, had on December 3, 1965, convicted Strange in the July slaying of Willie Brewster, a Negro foundry worker and set his penalty at 10 years in prison. J. B. Stoner, Strange's attorney was quoted as referring to the all white jurors as "white niggers."

[redacted] of Boston, Massachusetts, who was a member of the Communist Party, from March, 1949 to June, 1950, and who has furnished reliable information to the FBI in the past, advised on September 7, 1965, that he had visited the NSRP headquarters, Augusta, Georgia, on August 18-21, 1965.

[redacted] learned that the NSRP has a mailing list of about 8,000 names and a membership of about 1,000. Dr. Edward R. Fields told him the reason for the NSRP moving to Augusta, Georgia, was that the office in Augusta, was less expensive than the office in Birmingham, Alabama. The office in Birmingham was away from the main part of the city, and the headquarters in Birmingham was a target for fire bombs and gun shots without police protection. Fields said that at Augusta, the office is on a Main Street, and has 24 hour a day police protection. Fields also said to [redacted] that J. B. Stoner can only practice law in Georgia, and has to stay in Georgia to keep his license. Fields also told [redacted] that the Birmingham Office of the NSRP had become a flop house for party tramps, who did not work.

[redacted] also reported that Fields had said most of his money and some of the party funds are in his wife's name, that she

Re: NATIONAL STATES RIGHTS PARTY

is "putting her foot down" about finances, and Fields other women, and if Fields does not do what she tells him she will leave him with all the money.

On page 4 of the Thunderbolt, November, 1965 issue, in an article entitled "Bobby Kennedy Calls for Aid to Viet Cong" it is stated that on November 3, Senator Bobby Kennedy in speaking before a crowd of students at the University of California stated that the collecting of blood to be shipped to the Communist Viet Cong was "good and in the best tradition of this country." The article continues that this statement is treason and the NSRP called for the immediate impeachment of Kennedy, from the U. S. Senate. The article continues that "we feel that he should also be tried for treason in a court of law, convicted and publically hanged according to law.

On page 5 of this same issue of the Thunderbolt, in an article entitled "LBJ Orders More School Mixing Each Year", the paper states that President Johnson has ordered the nation's chief school race mixer, Francis Keppel "to give him a detailed report on integration of southern schools." The article continues "He has made it clear that total race mixing in the schools is his goal." The article calls for its readers to work toward private all white schools in every white community, and "keep the black out, preserve the future of the white race."

In an article on the same page of this issue, concerning a reported telegram sent Martin Luther King on August 10, 1965, by President Johnson promising "new laws where needed in the area of civil rights", the article states "The Negro is supposed to be able to dominate our community, and if we protest an FBI Secret Police Agent will be there to hold our people down so that the Negro can take over."

On Page 6 of the November, 1965 issue of the Thunderbolt, is an article attacking the UnAmerican Activities Committee in its investigation of the Ku Klux Klan. This article states that it is presumed that the members of this committee all took oaths to uphold the U. S. Constitution, but if they did they have all violated their oath and are more UnAmerican than anybody they could ever investigate. It continues that the Supreme Court may give the Negroes more special privileges by rulings that any act against a Negro is a civil rights violation, "whereas, when the black savages attack, murder

Re: NATIONAL STATES RIGHTS PARTY

and rape Whites, the Supreme Court and the District FBI Agents enjoy that and give Whites no protection."

In another article on Page 7, dealing with the "Willis Committee", it is stated "that undercover Agents and paid pimps for the Federal Bureau of Investigation are the ones who have set up schools for violence in an effort to entrap any unwary klansmen that would fall into their snare." This article continues "the Klan hasn't admitted any acts of violence because it has been infiltrated by too many Judas pimps who are willing to destroy their souls and their race for a few crumbs from the Jew-controlled race - mixing FBI.

The November, 1965 issue of the Thunderbolt said there would be no December, 1965, and the next issue would be January, 1966.

NATIONAL STATES RIGHTS PARTY  
RACIAL MATTERS

The November, 1965, issue of the "Thunderbolt", self-described as the official organ of the National States Rights Party (NSRP), revealed that Dr. Edward R. Fields, National Director of the NSRP, would speak at an NSRP rally on the evening of December 29, 1965, at Chicago, Illinois.

The characterization of the NSRP is attached to this memorandum.

CG T-1 advised on December 30, 1965, that he had learned that Dr. Edward R. Fields spoke at an NSRP rally at 2237 North Western Avenue, Chicago, Illinois, on the evening of December 29, 1965.

CG T-2 advised on January 4, 1966, that (Dr. Edward R. Fields spoke on the evening of December 29, 1965, at a rally of the NSRP at the Chicago Branch of the NSRP located at the National Book Store, 2237 North Western Avenue, Chicago. Approximately 80 persons attended this rally including [redacted] the Director of the Chicago Branch of the NSRP. [redacted] also spoke and stated that the National Book Store would serve as an information center for members of the Ultra-Right who desired to participate in any activities sponsored by the NSRP. [redacted] called for volunteers to help out in the library section of the book store and also appealed for funds to carry on the work of the NSRP.

CG T-2 stated (Dr. Fields was the main speaker and he praised [redacted] for his efforts in organizing the Chicago Chapter of the NSRP. Fields said the white man has always taken care of the Negro and the Negroes of the South were always happy until Communists like Martin Luther King and James Farmer sent their emissaries into the South to work up the Negroes. The only solution regarding the Negroes is to send them all back to Africa where they came from because the Negroes have not contributed a single item to the American way of life, yet they seek to mongrelize the white race and one

of the champions of their cause is the renegade President Lyndon B. Johnson. Fields added that mongrelization of the white race will not stop until we can get a candidate for President who will sign a deportation order sending the Negroes back to Liberia. The Negroes can do nothing on their own but they can be easily led. They depend solely on what the power structure can give them and they will not work and all they want to do is to marry white women.

CG T-2 said that (Fields then spoke concerning the Viet Nam situation and stated the American soldier is demoralized because they know they are not allowed to win this war. The war is being fought to punish the government of North Viet Nam but not to defeat them. The NSRP demands total and absolute victory and no compromise with the Communists. We have our own Communists at home, you see them leading the civil rights demonstrations and you see them leading the anti-Viet Nam war demonstrations. You also see them burning their draft cards and committing acts of treason but nothing is ever done to them. President Johnson condones the peace marchers and agrees with draft card burning, otherwise he would have the Justice Department trying them for treason.

CG T-2 said that (Fields then entered into a tirade against the Jews and stated that if we let the Jews have their own way, our gold supply at Ft. Knox would end up in Israel. Fields then said that the NSRP has set two goals for the year 1966 and they are: 1. To deport all Negroes back to Africa as they did the Germans and white Russians during and after World War II; 2. To enter NSRP candidates in all municipal, state and county elections.

Re Bureau airtel dated 12/17/65 captioned, "Counter-intelligence Program, Internal Security, Disruption of Hate Groups, (Reverend CHARLES CONLEY LYNCH, aka).

Enclosed for each office that received the above referenced communication, is a photograph of the subject, having been taken at Los Angeles, California, on August 7, 1965, as he addressed an NSRP rally.

For the information of the San Francisco Office which did not receive a copy of referenced communication, LYNCH, commonly known as Connie Lynch, is a leading national speaker for the National States Rights Party (NSRP) and other hate-type organizations. He receives some form of compensation for his speaking efforts. LYNCH has been reported as a member of the NSRP and Klan groups, and he has advocated violence against minority groups and has been convicted of assault with a deadly weapon. In addition, LYNCH has referred to FBI Agents as "Nigger babysitters" and "haters of all white men", and to have stated that he would kill any FBI Agent who tried to exert his authority on him.

It is noted that LYNCH drives a 1958 Cadillac, pink in color, bearing California license LXX 891, however, he does not have a valid drivers license, his California license, No. Z405029, having been suspended by the State of California, but never surrendered by LYNCH or reinstated.

The Bureau desires that offices in whose territory LYNCH may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable enforcement agency which can be advised that LYNCH is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest. The Bureau has further instructed that the Bureau and interested offices be advised if LYNCH's drivers license is reinstated by the State of California.

The San Francisco Office, at Sacramento, California, is requested to, through an established source, at the Department of Motor Vehicles, discreetly place an appropriate "stop" at DMV in the event LYNCH endeavors to obtain a new license or his old license is reinstated.

LA 157-759

LYNCH HAS BEEN CONVICTED IN THE PAST FOR ASSAULT WITH  
A DEADLY WEAPON AND SHOULD, THEREFORE, BE CONSIDERED ARMED AND  
DANGEROUS.

COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS  
(REVEREND CHARLES CONLEY LYNCH, AKA)

ReLAirtel captioned "Connie Charles Lynch, RM," dated 12/2/65.

Lynch, commonly known as Connie Lynch is a leading national speaker for the National States Rights Party (NSRP) and other hate-type groups. Lynch apparently is unemployed at present and presumably receives some form of compensation for his speaking efforts. He has at times reportedly been a member of the NSRP and Klan groups; however, Bufiles do not reveal a continuing membership for Lynch in any of the hate-type organizations.

He has advocated the use of violence against minority groups and has been convicted of assault with a deadly weapon.

Lynch again came to the attention of the Bureau regarding threats to FBI personnel when, during a speech on 10/28/65 at Natchez, Mississippi, he referred to FBI Agents as

"Nigger babysitters" and "haters of all white men." He is alleged to have said he would kill FBI Agents or anyone else if they molest his family or employees. During an interview on 9/28/65 by Bureau Agents for a similar comment, Lynch denied making any such statement but was hostile to the Agents.

It is pointed out that while Lynch may not currently have a hate group organizational affiliation, he is a very prominent hate group personality and has been very successful in stirring up violence in the past. For this reason, counter-intelligence measures taken against him should be conducted as though he were one of the leading officials of a group such as the NSRP or the Klan.

Lynch's automobile bears a California registration and he was last known to reside there. He follows a peripatetic way of life and may appear at any place throughout the country.

For the information of all offices receiving this airtel it is to be noted that although Lynch drives a 1963 Cadillac, four-door sedan, white over pink, bearing 1965 California license plate number LXX 801, he does not have a valid California drivers license, his license having been suspended by the State of California effective 8/5/63. Operator's license number 2405029 has not been surrendered or reinstated.

The Bureau desires that offices in whose territory he may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable law enforcement agency which can be advised he is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest.

The Los Angeles Office is further instructed to be alert to immediately advise the Bureau and interested offices in the event Lynch's drivers license is reinstated by the State of California.

This information is being sent to the designated offices inasmuch as Lynch has visited these areas in the past, is scheduled to visit these areas or is likely to visit these areas.

RE: NATIONAL STATES RIGHTS PARTY

On November 30, 1965, Birmingham Confidential Informant T-1 advised that on November 26, 1965, J. B. STONER, one of the national officers of the National States Rights Party (NSRP), arrived in Anniston, Alabama, to begin preparing for defense in the state case against Hubert Damon Strange for the nighttime highway slaying of Willie Brewster. T-1 said that the trial of Strange started as scheduled on November 29, 1965, with Stoner representing Strange, and that Stoner was surrounded in the hall when court was not in session with local Klansmen and NSRP sympathizers. T-1 further stated that J. B. Stoner resided at the home of Kenneth L. Adams, who is the local Klan leader and NSRP leader in the area around Anniston, Alabama.

On December 5, 1965, Birmingham Confidential Informant T-2 advised that he had received information that J. B. Stoner had received a telephone call from a leader of the NSRP in Dayton, Ohio, to come to Dayton to make a speech. T-2 stated further that he had received information that Stoner was flying to Dayton, Ohio, on the night of December 3, 1965, to meet with NSRP leaders, at the expense of the NSRP; and that Stoner planned to return to Anniston, Alabama, in the near future to prepare the defense for the two remaining defendants in the Willie Brewster case, those defendants being Johnnie DeFries and Lewis Blevins, who are to possibly be tried in January or February, 1966..

On December 27, 1965, T-1 stated that Kenneth L. Adams had stated that on the afternoon of December 24, 1965, J. B. Stoner came through Anniston, Alabama, and stopped for about one hour. Stoner claimed to be en route to his

home in Atlanta, Georgia, and said he would return to Anniston, Alabama, during the first or second week in January, 1966, to start preparing for defense of the case against Kenneth L. Adams, in United States District Court, Anniston, Alabama, on charges of Theft of Government Property. T-1 said that he would not be surprised, however, if Stoner did not appear, because he did not believe that Adams particularly wanted Stoner to handle his case.

On January 7, 1966, T-1 advised he does not believe that J. B. Stoner has returned to Anniston, Alabama, since his brief visit through Anniston, Alabama, on December 24, 1965.

Dr. FIELDS had moved the National Office from Birmingham, Ala.,

10TH. FEBRUARY, 1966

TO: COMMANDING OFFICER, HUMAN RELATIONS SECTION

FROM: SERGEANT [REDACTED] AND PATROLMAN [REDACTED]  
[REDACTED] HUMAN RELATIONS SECTION

SUBJECT: MEETING OF THE NATIONAL STATES RIGHTS PARTY OF ILLINOIS,  
2237 NORTH WESTERN AVE., ON THE 9TH. FEBRUARY, 1966.

REFERENCE: HUMAN RELATIONS SECTION NUMBER 216088

1. On the 8th. of February, 1966, information was received at the Human Relations Section, that the National States Rights Party of Illinois, was to conduct a meeting on the 9th. of February, 66 in their newly opened office and bookstore, same located at 2237 North Western Ave., in the 014th. District.

2. Upon attending the aforementioned meeting it was noted by the reporting officer, that some twenty (20) persons were seated behind a partition in the mentioned store. The group at that time was being address by one [REDACTED] who identified himself as an organizer of the National States Rights Party, the time of this observation being 2000 Hrs..

3. Mr. [REDACTED] went on to inform the group (that they were conducting a series of small meetings, so that each member or those who wished to join the movement could become better acquainted. He went on to say that the ultimate objective of the organization was to create a third political party, the main compositing of which is to be members of the white race. He further stated that the white man must regain the rights which the Negro race had taken from them. He cited the existing school controversy, at that time informing the gathering that if it had not been for one [REDACTED] an active member in the (N.S.R.P.), school Superintendent Benjamin Willis, would have been forced from his position, thus paving the way for what Schultz described as school busting. Mr. Schultz went on to inform the group that they had recently formed a youth movement, the qualifications being, male or female under the age of nineteen and of the white race. Members could join the organization by sending four (4) dollars to box number 184, Augusta, Ga., in return they would receive their instructions, and one years subscription to the N.S.R.P.'s news publication known as The Thunderbolt.

4. At approximately 2100 Hrs., Mr. [REDACTED] introduced a male white subject who identified himself as one [REDACTED]. This subject went on to inform the gathering that he was a southerner displaced person, that he had been forced by Negroes to move five (5) times in the last eight (8) years. He stated that he was tired of running; that now was the time to take a stand to the aggression of the Negro. Mr. [REDACTED] went on to say that Negro infiltration and race mixing was due to the Jews. He cited the Hyde Park area as a Jewish Communist stronghold, further stating that most of the civil rights movement was financed by members of the Jewish religion. Mr. [REDACTED] warned the gathering that if race-mixing was allowed to continue, that it would be the end of the white race.

10TH. FEBRUARY, 1966

5. At this point Mr. [ ] went on to explain the methods to be used by the organization, stating (that it was their belief that the public should be informed about all situations concerning matters of race, that both Negroes and Jews should be exposed when involved in these matters. He then quoted numerous articles from the Thunderbolt Newspaper, which pertained to matters of race-mixing, and politics involving Negroes and Jews. Mr. [ ] further stated that the N.S.R.P., was planning to take an active part in counter-demonstrations, at that time he passed out printed forms asking the gathering to fill them out and return them to him as soon as possible, again at that time informing the gathering that all information would be kept confidential.) In essence the forms asked for the names and address of those gathered, and for any suggestions the group may have that would benefit the organization, it also called for volunteer work, Mr. Sewel stating that if some persons were apprehensive about doing field work, that he was sure they could be used in the office.

6. Mr. [ ] then asked the gathering how many of them were familiar with and owned firearms, he informed the meeting that all white people should immediately arm themselves, at that time calling their attention to the riots in New York's Harlem, and Los Angeles Watts, further stating that if it wasn't for the National Guard of those States, the white members of the community would have been at their mercy. A short discussion, but well organized about the type of weapon to choose, where to purchase it ( Suggested that it be bought through mail order or outside the city so it wouldn't be registered with the Chicago Police Department), the fact that they were giving instructions as to use throughout the city, ( Ranges were one does not have to sign a register), was soon to follow. Mr. [ ] then commented about the Police Department, stating at that time that there was a member of the National Conference of Christians and Jews hired by the Chicago Police Department, that the function of this individual was to instruct the department on Human Relations, thus enabling Martin Luther King's group to roam through the city untouched, Dr. King and his staff at that time being referred to as 'King's Coons'.

7. At this point there were several suggestions offered about what to do in the future, one emanated from a strange looking white subject who identified himself as [ ] currently employed as a [ ] at that time showed the gathering a badge, and a pair of handcuffs, informing them that he also was allowed to carry a gun while on duty but that he did not suggest carrying one upon one's person, he further stated that he worked for a Jew and that in the last six months, he had made over one-hundred (100) arrest, most of those arrested were Negroes, this in itself being an indication how the Negro is destroying the city. Next to offer a suggestion was an elderly white male subject who identified himself as Mr. [ ] same at that time informing the gathering that he was a full blooded German, and (that he felt the 'Nigger' should be stopped right now, he further (stated that he knew of a large amount of incidents where 'Niggers' had beaten, robbed and raped white people, and that these people would be willing to join the movement but that they did not know where to go. He suggested that members of the N.S.R.P., get out and mix with their white brothers and by means of passing out flyers inform him what was going on, and where they could meet to do something about it.

( Continued On Page # 3 )

10TH. FEBRUARY, 1966

8. Once again resuming control of the meeting, Mr. [redacted] told the group that, he though all the publicity given to Dr. King was what the N.S.R.P., needed, as white persons were fed up with being threatened, and would soon be looking for someone or some organization to turn to. He further stated that although their membership and funds were at that time limited, there was soon to be a decided change. A comparison of similar organizations preaching the same theory was made, Mr. [redacted] explaining that the N.S.R.P. was to be different, as they were to be an action group.

9. Upon termination of Mr. [redacted]'s address, the floor was thrown open to a question and answer session, most of the questions following along the same vein, that being racism. Out of the twenty (20) persons present there was only one female, this subject appearing to be about twenty-five years of age, well dressed and in the company of a distinguished looking elderly male subject, possible her father. During the entire meeting members of the Negro Race were constantly referred to as 'Niggers', and members of the Jewish Religion were called 'Kikes'. The meeting was orderly for the most part, and was still in session at 2200 Hrs., when the reporting officers left.

10. It is the belief of the reporting officers that even though the N.S.R.P. are small in number and are operating on limited funds, the group should be kept under surveillance, as they are a very well informed group even if much of their literature is substandard, as far as printing and dissemination.

DETAILS:

"The Thunderbolt" is self-described as the "official White Racial organ of the National States Rights Party" and will be referred to later in this report as the paper.

A characterization of the National States Rights Party (NSRP) is attached hereto in the appendix of this report.

ORGANIZATIONAL STRUCTURE

A. Headquarters

Issue #69, page 8, of "The Thunderbolt", dated July, 1965, reflects that the NSRP National Executive Committee had decided to move the national headquarters and "The Thunderbolt" from Birmingham, Alabama, to Augusta, Georgia, with the new address as Post Office Box 184, Augusta, Georgia.

On December 1, 1965, SV T-1 advised that the NSRP headquarters is located in Rooms 204-206 of the Marion Building, Broad Street, Augusta, Georgia. This source reported that Dr. EDWARD R. FIELDS and two women usually work in the office. He reported that J. B. STONER, an attorney with the NSRP, had his name added to the Marion Building bulletin board on October 27, 1965.

[redacted] Boston, Massachusetts, who was a member of the Communist Party from March, 1949, to June, 1950, and who has furnished reliable information to the FBI in the past, advised on September 7, 1965, he had visited the NSRP headquarters, Augusta, Georgia, in August, 1965, and learned the NSRP has a mailing list of about 8,000 names and a membership of about 1,000. Dr. EDWARD R. FIELDS told him the reason for the NSRP moving to Augusta, Georgia, was that the office in Augusta was less expensive than the office in Birmingham, Alabama, that the Birmingham office was a target for fire bombs and gunshots without police protection and that the Birmingham office had become a flop house for party tramps who did no work.

B. Charter Information

On November 26, 1957, SV T-2 advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26,

SV 157-871

1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "rac~~ing~~ mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, SV T-3 advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69 of "The Thunderbolt", dated July, 1965, announced the new address of the headquarters of NSRP as Post Office Box 184, Augusta, Georgia.

On September 21, 1964, SV T-4 advised that Dr. EDWARD R. FIELDS, the information director of NSRP and editor of "The Thunderbolt" is the individual who "runs the NSRP".

Issue No. 72 of "The Thunderbolt" dated November, 1965, reflects that Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as editor of "The Thunderbolt".

### C. Objectives

Issue #73, page 8 of "The Thunderbolt", dated January, 1966, reflects that copies of NSRP Constitution and By-laws have been re-published and is being mailed to all party members. The article states the booklet is available only to members in good standing.

SV 157-871

On January 12, 1966, SV T-1 made available a copy of the Constitution and By-laws of the NSRP as revised and adopted at the last convention. The Preamble appearing on page 1 is as follows:

"We of the National States Rights Party believe in our Lord Jesus Christ and the Christian heritage of our people. We believe in the great White race and the necessity for the preservation of our race and the Nation which the Whiteman created out of the wilderness of this continent. We believe in the principles laid down by our forefathers in the United States Constitution and in the Bill of Rights contained therein. We believe in preserving the Race of our forefathers which built civilizations out of jungles and which gave art, culture, inventions, freedom and justice to the entire world. We will not allow the blood of our people to be polluted with that of black, yellow, jewish or mongrel peoples. We know that only the pure White Race can preserve this Nation and the freedom handed down to us by our ancestors. All that is patriotic, good, clean and decent springs forth from the foundations of our White folk. These high standards of living do not, and cannot, exist in the non-White backward areas of the world, except where the Whiteman maintains a foothold of control. Therefore, we dedicate our lives and fortunes to the expansion and goals of the National States Rights Party. We feel that only through a political movement can we unite our people and bring the government back into the hands of the White Christian majority.

"We dedicate ourselves to the task of saving America and the White race and the preservation of the pure blood of our forefathers, so that all future generations which come after us will be born as White children with a creative intelligence that will strengthen our civilized influence over the world for the good of all mankind. Therefore, we join together for these honorable purposes as outlined in this Constitution and By-laws of the National States Rights Party.

"We struggle for ---- Christ, Race, Nation!"

SV 157-871

The last page of the Constitution and By-laws contains the following:

**"OUR AMERICAN DESTINY**

"It is our American Destiny to bring about the unity of the Whiteman's World. The life-or-death threat of aroused non-whites affords the challenge which will close the ranks of the Whiteman's World.

"In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia must know that we are with him. The Whiteman of South Africa must know that his destiny is a part of our destiny.

"Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological organism, ever-expanding by procreation.

"HONOR, ... SAVE

"PRIDE, THE

"FIGHT WHITE

"If our buildings, our highways, and our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our Whitefolk should become corrupted and mingled with the blood of non-Whites, then the present greatness of our Nation would be gone forever. The maintenance of our American civilization would be as impossible for a non-White America as would the redemption and restoration of the Whiteman's blood which has been mixed with that of the non-White.

"By Senator Theodore G. Bilbo"

SV 157-871

Under Article V, Section 1, of the Constitution and By-laws of the NSRP is set forth the slogan of the NSRP: "Honor, Pride, Fight - Save the White!"

On Page 5, Issue #73 of the paper, dated January, 1966, appears an article entitled "Deport Negroes to Africa, Save Millions in Welfare and Poverty Aid."

The following sentence appears in this article "A white supremacy party must take over the U. S. Government and begin an immediate program to ship all Negroes to Africa."

ACTIVITIES OF STATE CHAPTERS

Alabama

On July 18, 1965, SV T-9 advised the NSRP held public rallies in Anniston, Alabama, on the nights of July 14, 15, and 16, 1965, in the vicinity of Calhoun County Courthouse. At these rallies Dr. EDWARD R. FIELDS, J. B. STONER and CONNIE LYNCH, all NSRP officials, spoke derogatory remarks concerning Negroes, Jews, the FBI and other Government officials.

Page 9, Issue #67, of the paper dated May, 1965, carries photographs, depicting Attorney J. B. STONER leading an NSRP march in Montgomery, Alabama.

Municipal Auditorium at Anniston, Alabama, at a meeting sponsored by the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), a characterization of which is attached hereto in the appendix of this report. The article stated that FIELDS was the only non-Klan guest speaker and that FIELDS and other NSRP speakers joined in a Klan parade which marched through the business section of Anniston, Alabama.

Page 11, Issue #69 of "The Thunderbolt," dated July, 1965, carries an article that the Birmingham Office of the FBI had been picketed for several weeks by "our outstanding patriots." Below the article were photographs of individuals carrying signs, such as, "Why doesn't the FBI stop harassing innocent white people."

Page 4, Issue #70 of the paper dated September, 1965, carried a story concerning the death of Attorney MATT H. MURPHY, JR., Birmingham, Alabama, and carried a sub-caption "NSRP Means Loss of Great Leader and Friend." The article stated MURPHY, who had died in an automobile accident on August 20, 1965, had defended the NSRP in numerous cases and had been devoted to the NSRP and its work.

Page 9, Issue #67 of the paper dated May, 1965, carried an article entitled "Atty. J. B. Stoner Organized NSRP March in Montgomery." The article states the march was a counter march protesting "Dr. Martin Luther King's obscene demonstrations" in Montgomery, Alabama. It was estimated 500 marchers followed STONER to the capitol.

On May 26, 1965, [redacted] Mobile, Alabama, advised SA [redacted] that he became a member of the NSRP in June, 1964. He said the party has no permanent headquarters in the Mobile area, that the group in Mobile is no longer active, and that the former leader, [redacted] left Mobile for Mississippi.

On May 1, 1965, [redacted] former member, NSRP, Birmingham, Alabama, advised SA [redacted] that he, [redacted] had come to Selma, Alabama, in January, 1965, to organize an NSRP unit. He said other organizers had attempted to form a unit at Selma without success and he, [redacted] found no interest in the NSRP in Selma. [redacted] said he was returning to his original home in Garland, Texas.

SV T-9 advised on November 30, 1965, that J. B. STONER, National Officer, NSRP, arrived at Anniston, Alabama, on November 26, 1965, to begin preparing for the defense in the state case against HUBERT DAMON STRANGE for the nighttime highway slaying of WILLIE BREWSTER. This source said STONER resided with KENNETH L. ADAMS, local NSRP leader in the area of Anniston, Alabama.

SV T-7 advised an NSRP sponsored meeting was held December 12, 1965, in the Jefferson Room, Thomas Jefferson Hotel, Birmingham, Alabama, attended by about 30 men, women and children, including the speakers. Dr. EDWARD R. FIELDS and KENNETH ADAMS were the two speakers. KENNETH ADAMS spoke of the recent conviction of a white man at Anniston, Alabama, who had been charged with second degree murder in the killing of a Negro. ADAMS said the white man had been unjustly found guilty of this crime. FIELDS, according to this source, made several remarks alleging that U. S. Attorney General KATZENBACK was going to bring about total integration of all schools within the United States during 1966.

### California

Page Seven, Issue 69, July, 1965, of the paper reflects that in June, 1965, NORMAN RICE, local organizer, NSRP, Fresno, California, led a picket of NSRP supporters to counteract demands by a Negro picket to have a local service station fire white employees and hire Negroes.

On June 18, 1965, J. B. STONER conferred with "San Francisco Patriots" at a private meeting in the Del Webb's Town House Motor Hotel, San Francisco, California, and plans were read for accelerating NSRP activities in San Francisco. (Page Seven, Issue 69, July, 1965, of the paper).

NEWMAN R. BRITTON, NSRP leader in California, DAVID STANLEY, "Canadian Anti-Communist Leader", and J. B. STONER spoke before a NSRP rally at Embassy Auditorium, Los Angeles, on June 23, 1965. During this meeting "right wing splinter groups" were urged to unite with the NSRP. (Page Eight, Issue 69, July, 1965, of the paper.)

The NSRP in California plans to run NSRP candidates openly in the California primaries on the white supremacy anti-Jewish platform in 1966 elections. (Page Five, Issue 71, October, 1965, of the paper).

### Florida

WARREN FOLKS led about 50 NSRP members in a march at the Federal Building, Jacksonville, Fla., "yesterday". FOLKS said the NSRP had declared war on President LYNDON B. JOHNSON in answer to President JOHNSON's recent declaration of war against the Ku Klux Klan. (Issue 67, Page Ten, May, 1965, of the paper).

The Duval County, Florida, chapter of the NSRP is located at 643 Cassat Avenue, Jacksonville, Florida, Post Office Box 6675, Jacksonville. (Page Four, Issue 71, October, 1965, of the paper.)

The NSRP in Duval County, Florida, plans to run NSRP candidates in that county in the democratic primary in May, 1966. (Page Eight, Issue 68, June, 1965, of the paper.)

SV 157-871

Page Eight, Issue 72, November, 1965, of the paper reflects CONNIE LYNCH, "one of our most dynamic 'rabble rousing' speakers", is on a speaking tour at NSRP meetings and had spoken at a series of meetings in Jacksonville, Florida, on November 6, 7, and 8, 1965. He was then to go to Vero Beach, Florida, to begin a series of nightly outdoor rallies.

SV T-10 advised that 40 to 60 persons gathered at the Westbrook Civic Center, Jacksonville, on the evening of November 8, 1965, to hear Rev. CHARLES CONLEY LYNCH, also known as CONNIE LYNCH. LYNCH criticized the Federal Government, the President of the United States, the FBI, Negroes, Jews and Communists. A collection was taken up at the meeting to help with LYNCH's expenses.

SV T-11 reported that about 30 people gathered near Winter Beach Elementary School, Winter Beach, Florida, on November 9, 1965, to hear Rev. CONNIE LYNCH speak at a NSRP rally in a very emotional manner. LYNCH spoke of Jews as being representatives of Satan and equated Negroes to animals. He referred to Rev. MARTIN LUTHER KING as "Lucifer Coon". He recommended the Supreme Court Justices be hanged, specifically mentioning Chief Justice EARL WARREN. He referred to the FBI as "baby sitters for the Niggers". LYNCH further stated his listeners should "gather together your shotguns, rifles, .45's and ammunition".

SV T-11 reported a meeting was held November 18, 1965, at Tony's Tavern, Winter Beach, Florida, where eight men gathered and decided to organize a NSRP chapter in the area. [redacted] owner of Tony's Tavern, headed up the organizational meeting.

SV T-11 reported Rev. CONNIE LYNCH spoke for approximately one hour at a meeting on U. S. #1, Winter Beach, Florida, on November 12, 1965. LYNCH again openly admitted favoring the use of firearms in combating racial integration. He again criticized FBI Agents for acting as baby sitters for the Negroes.

SV 157-871

SV T-12 reported NSRP rally was held on November 20, 1965, at a church located at the corner of Edison and King Streets, Jacksonville. Rev. CONNIE LYNCH and Dr. EDWARD R. FIELDS were the principal speakers and about 85 persons were present. LYNCH stated that he believed in violence as violence is the only way to achieve "our aims". Dr. FIELDS, in following LYNCH, stated that integration is a Communist plan to weaken and mongrelize the American people.

SV T-13 reported a NSRP meeting was held at Edison and King Streets, Jacksonville, on November 21, 1965, at which Dr. EDWARD R. FIELDS spoke concerning the goals of the NSRP. He spoke of the goals as either to kill the Negroes or ship them back to Africa. Later, Rev. CONNIE LYNCH spoke criticizing ministers who preached that men are created equal. LYNCH said he was violent and did not care who knew it. About 50 persons attended the meeting.

SV T-10 reported on January 4, 1966, that nine persons attended a meeting of the Duval County Chapter of the NSRP on December 29, 1965, at 2659 Edison Avenue, Jacksonville, Florida. [ ] commented on the expected results of the NSRP's mailing 500 letters inviting persons to a NSRP meeting on January 5, 1966.

Mrs. [ ] said the NSRP should encourage the right man for political office in Jacksonville and then give such candidate 100% support, according to SV T-10.

SV T-11 reported that J. B. STONER spoke to a meeting of the NSRP at Winter Beach, Florida, on January 7, 1966, held at the Primative Baptist Church with about 23 present. STONER said it would not be possible financially, legally or otherwise at this time to enter candidates in the May primary election on the NSRP ticket in Florida, but the NSRP should support the candidate on one of the major party tickets who will speak out against Negroes and Jews during the campaign. He referred to President JOHNSON as "lame-brained JOHNSON" and a "two-faced traitor".

SV T-14 reported that DEWEY MC KINLEY TAFT had stated that he, TAFT, had resigned as State Chairman of the NSRP several months before and had no more interest in the party. This source had been in contact with TAFT on March 11, 1965,

b6

SV 157-871

and on the same date had heard DEWEY TAFT say he considers the NSRP a defunct organization in Florida, and that there was no more interest in the NSRP in Tampa.

Georgia

Page Eight, Issue 70, September, 1965, of the paper reflects the move of the NSRP headquarters from Birmingham to Augusta, Georgia, office telephone 724-0752, and mailing address P. O. Box 184, Augusta, Georgia, the same numbers being furnished for "The Thunderbolt".

SV T-1 on September 27, 1965, reported that [redacted] who had been working for several weeks in the NSRP headquarters had left on the morning of September 18, 1965, carrying a suitcase and had not been seen back at headquarters since.

b6  
b7C

On October 28, 1965, SV T-1 reported J. B. STONER had his name added to the Marion Building Directory, Marion Building, Broad Street, Augusta, on October 27, 1965, showing the same offices as the NSRP-Room 204-206.

The October, 1965 Issue of the paper, Issue 71, carried an article stating that J. B. STONER had petitioned the House of Representatives to rebuke Chairman WILLIS of Louisiana and to stop this committee from trying to run rough shod over the rights of white people who are standing up against race mixing.

Page Four of the same issue of the paper carries an open letter to the President by Dr. EDWARD R. FIELDS. The letter is dated September 20, 1965, addressed to President LYNDON B. JOHNSON, White House, Washington, D. C. The letter states that FIELDS did not understand why President JOHNSON had passed the Civil Rights Bill oppressing the rights of white people and threatening to cut off money to public schools unless the white and Negro children were mixed. The letter continued the administration appeal and give-away programs to the Negroes is only making the Negroes more arrogant and more demanding. FIELDS concluded he was looking forward to the day when President JOHNSON would be removed from office.

SV 157-871

SV T-15 on January 5, 1966, made available a copy of letter from Dr. EDWARD R. FIELDS addressed to "Canadian Supporters". The letter referred to a ban against "The Thunderbolt" by the Canadian Post Office and urged Canadian supporters to circumvent this ban by addressing their subscriptions and communications to the NSRP through the following addresses:

b7C

SV T-16 reported that Dr. FIELDS spoke against Negroes, stating the only solution for the Negro problem was to send them back to Africa as they contributed nothing to the American way of life. Concerning the Vietnam situation, FIELDS said American soldiers are demoralized persons that are not allowed

SV 157-871

to win the war; that the war is being fought to punish the Government of North Vietnam but not defeat them. FIELDS also spoke in derogatory remarks against the Jews.

#### Indiana

Page Nine, Issue 70, September, 1965, of the paper carries an article headed "NSRP Workers Arrive in Freedom of Press Case". BROWN had advised a NSRP rally was scheduled in Muncie on October 19, but had been cancelled due to pressure from outside groups which prevented them from using the meeting hall. Both BROWN and LYNCH vowed a rally would be held in the near future in Muncie when a meeting place could be located.

On April 6, 1965, SV T-8 reported that on March 28, 1965, [ ] Information Director, NSRP, Missouri, had stated he was revising "The Hurricane", official publication of the NSRP of Missouri. "The Hurricane" was to be revised to suit the needs of the members.

b6

On April 13, 1965, SV T-17 reported an organizational meeting of the NSRP was held April 10, 1965, at the home of [ ] 2135 Edmund Avenue, St. Louis, Missouri, Chairman of the NSRP, Missouri. Nineteen persons were present. This source stated [ ] remarked that the NSRP did not advocate the use of guns but would fight with the ballot. He mentioned that security presents a problem for the organization. He stated that undoubtedly efforts would be made by governmental organizations to infiltrate the NSRP but by breaking down the party into zones and groups this infiltration would be difficult.

SV 157-871

On April 15, 1965, SV T-8 reported an organizational meeting of the NSRP was held March 28, 1965, at 3401 St. Blase Lane, St. Anns, Maryland, for the purpose of recruiting new members into a proposed security division of the NSRP. [redacted] leader, NSRP Youth Movement (NSRPYM), in St. Louis, a high school boy about 17 years of age, opened the meeting. Approximately 100 to 135 persons attended, and CONNIE LYNCH stated the white people had taken enough abuse from Negroes. LYNCH made derogatory remarks about the U. S. Page Nine, Issue 71, October, 1965, of the paper carries a reprint of an article by ROBERT H. COLLINS of the St. Louis Post Dispatch. This article stated a youth movement known as NSRPYM had been formed at St. Louis according to ALLEN O. KERN and had members in several school districts there. KERN was quoted as saying, "the boys and girls are taught patriotism, the dangers of Communism and the dangers of centralized government, the Federal dictatorship under which we are living."

#### New York

Page Eight, Issue #65, March, 1965, of the paper in referring to NSRP activity in New York, states that leaflets and "Communism and Jewish" stickers had been distributed by individuals and local units in New York, Troy, Rochester and Buffalo.

SV 157-871

Ohio

Page Nine, Issue 68, June, 1965, of the paper reported that the Cincinnati City Council had passed a law specifically outlawing distribution of the NSRP newspaper. The article continued that on May 8, 1965, the NSRP Office at Cincinnati was raided by local police and JERROLD BLACK, in charge of the office, was arrested and literature confiscated. BLACK had been found guilty by the local judge but Attorney J. B. STONER planned to appeal the case.

Page Nine, Issue 71, October, 1965, of the paper stated a reproduced article appearing in that issue clearly proved there is a difference between white and Negro blood and that R. D. ELDRIDGE of the NSRP, Ohio, was urging all States be required to label blood by race by the Red Cross so that a mix-up would not occur.

SV T-19 reported on October 21, 1965, that a meeting of the NSRP held at party headquarters, 224 Oak Street, Dayton, Ohio, on October 17, 1965, was addressed by CONNIE LYNCH. About 45 persons attended and heard LYNCH condemn the present administration as being controlled by "Communists and Jews". LYNCH said it appeared that they (the white people) must resort to violence and "crack skulls" since that is what is necessary to prevent Negroes from gaining power over them.

SV T-19 reported that [redacted] National Organizer of the NSRP, Residence 53 Park Drive, Dayton, Ohio, and takes an important and dominant role in NSRP meetings at Dayton. [redacted] speaks out against Negroes and Jews and attempts to encourage other members to be more active in the organization and its activities.

b6  
b7C

STONER spoke concerning recruiting new members and also discussed a trial of three white men at Anniston, Alabama, which STONER had lost a few days prior to coming to Dayton. He continued the trial was unfair and expressed his intentions to appeal the conviction.

SV 157-871

Oregon

J. B. STONER on June 14, 1965, addressed a "white supremacy meeting" at the Odd Fellows Hall at Portland, Oregon, after the "Jew-kissing Portland General Electric Company" cancelled the first meeting hall. The meeting was sponsored by the Oregon branch of the NSRP and STONER exposed the "Jew stacked Supreme Court". (Page Seven, Issue 69, July, 1965, of the paper.)

Washington

Page Seven, Issue 69, July, 1965, of the paper reflects that Attorney J. B. STONER addressed a meeting of the NSRP of Spokane, Washington, at the German-American Hall on June 9, 1965. This same page and issue reflects that STONER on June 11, 1965, spoke to NSRP rally at Benjamin Franklin Hotel, Seattle, Washington. MIKE CAMERON and DAVID STANLEY were also listed as making talks at this rally.

Page Seven of the same issue reflects that on June 12, 1965, STONER addressed a crowd at Winthrop Hotel and exposed the "Jew-Communist Menace". The article said MIKE CAMERON, listed as the NSRP Northwestern Coordinator, stated that Washington State is now ripe for formation of new NSRP chapters.

Page Nine, Issue 70, September, 1965, of the paper reflects photographs of several individuals reportedly active in NSRP picket in Racine, Wisconsin. Under one of the

SV 157-871

photographs is a statement reflecting that "DICK GREGORY (a Negro comedian who has taken part in Negro demonstrations) shocked by NSRP pickets in far north." The paper stated that GREGORY had spoken at a meeting in Racine, Wisconsin. A caption under one of the photographs identified one of two white females as Mrs. MELVIN BUTGEREIT who reportedly heads the NSRP in Racine. The other female is identified as Mrs. JOHN P. READING.

#### Canada

Page Seven, Issue 69, July, 1965, of the paper reflects that J. B. STONER on June 4, 1965, arrived at the Vancouver, Canada, International Airport to address a rally of "Canadian Natural Order-Vancouver". The article continues that on Sunday evening, STONER addressed a meeting of British Columbia Branch of the Natural Order of Canada and blasted the Canadian Government for banning "The Thunderbolt" from the Canadian mails.

#### FINANCES

[redacted] of Boston, Massachusetts, a member of the Communist Party from March, 1949, to June, 1950, who has furnished reliable information in the past, advised on September 7, 1965, that he visited the NSRP headquarters, Augusta, Georgia, during August 18-21, 1965. He had learned from Dr. EDWARD R. FIELDS that one of the reasons the NSRP moved to Augusta from Birmingham, Alabama, was because the office in Augusta was less expensive. FIELDS had reported that most of his money and some of the party funds are in his wife's name and that she is "putting her foot down" about finances and FIELDS' other women. He expressed the belief that if he did not do what his wife told him she would leave him with all the money.

"The January, 1966 issue of "The Thunderbolt" advertises annual subscriptions to the paper are \$3.00 per year, that extra copies may be obtained at \$1 for ten, and that "The Thunderbolt" would be mailed to names supplied at \$.15 per name per issue.

Page Eight of this issue announced that as of January 1, 1966, youth movement dues would be \$4 per year, \$3 of which goes for a subscription to the party newspaper.

SV 157-871

On January 21, 1966, SV T-23 made available a "Personal Newsletter" entitled "Year of Decision, 1966 Elections--Now or Never" over the signature of Dr. EDWARD R. FIELDS, which was mailed attached to the January, 1966 issue of "The Thunderbolt". Page 4 of this letter states, "Large sums of money will be needed every month to: 1) Wage our election campaigns. 2) Hold mass rallies and marches. 3) Membership organizational drives. 4) Fight legal battles in the courts. 5) Publish our monthly newspaper. 6) Plus new books and literature. 7) Besides all this we desperately need to hire at least three new full time workers at the Party Headquarters. 8) Also, we need money to add at least two more rooms to our suite here in the Marion Building.

"The Party must have a steady monthly flow of regular contributions if we are going to meet all the expenses involved in all of our endeavors. Our financial responsibility is so great, that if our funds were cut off for one single month the Party would cease to exist. We must be able to plan all of the above listed projects each month. For this reason we must have some approximate idea of how much money will be on hand for this work each month.

"That is why the NSRP Pledge Cards have been issued in the past---".

The Newsletter urges supporters to make pledges so the party may make plans accordingly. It points out that most of the NSRP supporters are average middle-class folks. The hope was that some could pledge as much as \$100.00 per month, but realized that the majority could only pledge \$50, \$25, \$10 or less monthly. Attached to the letter was a form addressed to the NSRP for making a contribution and/or a pledge.

On February 2, 1966, SV T-24 advised the NSRP, Post Office Box 184, Augusta, Georgia, maintains an account at the Citizens and Southern National Bank, Augusta, Georgia. Dr. EDWARD R. FIELDS, the only individual authorized to draw against the account, writes about 30 checks per month. The balance of the account on February 2, 1966, was \$955.10, which is approximately what the account balance runs, according to his source.

PUBLICATIONS AND PROPOGANDA

Issue 73, January, 1966, of "The Thunderbolt" describes this paper on page six as "the official White Racial organ of the National States Rights Party." The editor is listed as Dr. EDWARD R. FIELDS and the address as Post Office Box 184, Augusta, Georgia. Subscription rate is \$3 per year.

SV T-21 reported that "The Thunderbolt" is printed by the Walton County Tribune, Monroe, Georgia, and has been so printed since July of 1963. Usually 15,000 copies of each issue are printed at a cost of \$109.81.

The usual procedure is for Dr. EDWARD R. FIELDS and Attorney J. B. STONER to bring the material to be printed to the Walton County Tribune. When the printing of the paper has been completed, all copies are usually sent to the Marion Building, Augusta, Georgia, via railway express company. This source stated that Dr. FIELDS pays his bill promptly and on some occasions other material is printed for FIELDS by this same press.

Page Two of Issue 68, June, 1965, of "The Thunderbolt" carries a photograph of Negro and white children dancing together and states, "The seeds of mongrelizing are being planted here." An accompanying article states the "NSRP does not recognize the anti-white civil rights law; it is unconstitutional, no matter what the Supreme Court might say." "The NSRP is positively against the placing of black people in the same schools with our impressionable little white children."

In an editorial by Dr. EDWARD R. FIELDS appearing in Issue #70 of the paper, September, 1965, FIELDS states "LYNDON JOHNSON is guilty of inviting tens of thousands of Negroes to revolt against lawful white authorities in Los Angeles.

Some of the headlines appearing in the September, 1965 issue of "The Thunderbolt" are as follows:

SV 157-871

Page Two: "LBJ Appoints Another Jew"

Page Two: "KING Breaks Law at Will"

Page Two: "LBJ Appoints Negro as His Personal  
Military Aid"

Page Three: "Negro Viciously Murders  
North Carolina Student"

Page Three: "One Million More Negroes Register

Some of the headlines appearing in the January, 1966,  
issue of "The Thunderbolt" are as follows:

On January 17, 1966, SV T-22 advised that Post  
Office Box 20, Belvedere, South Carolina, is rented by Dr.  
EDWARD R. FIELDS, 425 Audubon Circle, Belvedere, South  
Carolina, who has in the past received mail through this  
box in the name of ARTHUR CARTWRIGHT and also the Right Wing

## APPENDIX

**UNITED KLANS OF AMERICA, INC.  
KNIGHTS OF THE KU KLUX KLAN, (UKA)**

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, The Alston Building, Tuscaloosa, Alabama. The organization is directed by Robert Shelton, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Inc., would be known in the future as United Klans of America, Inc., Knights of the Ku Klux Klan. The second source said the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

**CG T- advised as follows:**

The Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois, and has telephone number CA 7-2180.

The Chicago Branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago. There have not been any meetings of the Chicago Branch of the NSRP since December 29, 1965. The National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP.

The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

of the NSRP although the Chicago Branch of the NSRP plans to have meetings in the near future in order to interest more persons in becoming members of the NSRP.

Persons interested in joining the NSRP may join by sending \$8 to the National Headquarters of the NSRP at Post Office Box 184, Augusta, Georgia. The \$8 will be the NSRP dues for one year and they will also receive "The Thunderbolt".

(CG T-1, 2/8/66)

"The Thunderbolt" is self-described as the "Official White NaRacial Organ of the NSRP".

#### D. Objectives

The National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

(CG T-1, 2/8/66)

#### E. Charter Information

On February 1, 1966, [redacted] Secretary of States Office, Division of Corporations, Springfield, Illinois, advised SA [redacted] that the records of his department contain no reference to the NSRP.

## II. ACTIVITIES OF THE CHICAGO BRANCH OF THE NSRP AT CHICAGO

### A. Meetings

Dr. EDWARD R. FIELDS spoke on the evening of December 29, 1965, at a rally of the NSRP at the Chicago Branch of the NSRP located at the National Book Store, 2237 North Western Avenue, Chicago. Approximately 80 persons attended this rally including [redacted] the Director of the Chicago Branch of the NSRP. [redacted] also spoke and stated that the National Book Store would serve as an information center for members of the ultra-right who desired to participate in any activities sponsored by the NSRP. [redacted] called for volunteers to help out in the library section of the book store and also appealed for funds to carry on the work of the NSRP.

b6  
b7C

Dr. FIELDS was the main speaker and he praised [redacted] for his efforts in organizing the Chicago Chapter of the NSRP. FIELDS said the white man has always taken care of the Negro and the Negroes of the South were always happy until 'communists like MARTIN LUTHER KING and JAMES FARMER' sent their emissaries into the South to work up the Negroes. The only solution regarding the Negroes is to send them all back to Africa where they came from because the Negroes have not contributed a single item to the American way of life, yet they seek to mongrelize the white race and one of the champions of their cause is the renegade President LYNDON B. JOHNSON. FIELDS added that mongrelization of the white race will not stop until we can get a candidate for President who will sign a deportation order sending the Negroes back to Liberia. The Negroes can do nothing on their own but they can be easily led. They depend solely on what the power structure can give them and they will not work and all they want to do is to marry white women.

FIELDS then spoke concerning the Vietnam situation and stated the American soldier is demoralized because they know they are not allowed to win this war. The war is being fought to punish the government of North Vietnam but not to defeat them. The NSRP demands total and absolute victory and no compromise

with the communists. We have our own communists at home, you see them leading the civil rights demonstrations and you see them leading the anti-Vietnam war demonstrations. You also see them burning their draft cards and committing acts of treason but nothing is ever done to them. President JOHNSON condones the peace marchers and agrees with draft card burning, otherwise he would have the Justice Department trying them for treason.

FIELDS then entered into a tirade against the Jews and stated that if we let the Jews have their own way, our gold supply at Ft. Knox would end up in Israel. FIELDS then said that the NSRP has set two goals for the year 1966 and they are: 1. To deport all Negroes back to Africa as they did the Germans and white Russians during and after World War II; 2. To enter NSRP candidates in all municipal, state and county elections.

(CG T-2, 1/4/66)

✓ A meeting of the Chicago Branch of the NSRP was held at the NSRP National Bookshop, 2237 North Western Avenue, Chicago, on February 9, 1966. Approximately 20 persons attended this meeting.

b6  
b7C

[redacted] who identified himself as an organizer of the NSRP spoke and stated that they were conducting a series of small meetings so that each member or those who wished to join the movement could become better acquainted. He said that the ultimate objective of the NSRP was to create a third political party, the main composition of which is to be members of the white race. He said the white man must regain the rights which the Negro race had taken from the white man. He also stated that they had recently formed a youth movement, the qualifications being that applicants must be under the age of 19 and white. He stated that anyone wishing to join the NSRP could do so by sending \$4 to Post Office Box 184, Augusta, Georgia, and they would receive their instructions then and one year's subscription to the NSRP news publication known as "The Thunderbolt".

Another speaker stated the civil rights movement is being financed by members of the Jewish religion and stated that if race mixing was allowed to continue, it would be the end of the white race. This speaker stated it was his belief that the public should be informed about all situations concerning matters of race and that both Negroes and Jews should be exposed

when involved in these matters. He added that the NSRP was planning to take an active part in holding counterdemonstrations against groups calling for integration. This speaker then passed out printed forms asking anyone interested to fill them out and return them as soon as possible, stating that all information would be kept confidential. This speaker asked those present how many of them were familiar with and owned firearms and said that all white people should immediately arm themselves in view of the recent riots that had occurred in Los Angeles and New York. He stated that if it had not been for the National Guard of those states, the white members of the community would have been at the mercy of the Negroes. This speaker stated that anyone wishing to purchase a gun should purchase it outside of Chicago through a mail order concern because then they would not have to register the gun with the Chicago Police Department.

Another speaker stated that he felt that the "Nigger" should be stopped right now and said that he knew of a large number of incidents where "Niggers" had beaten, robbed and raped white women and that many people would be interested in joining the NSRP but they did not know where to go to join. This speaker added that members of the NSRP should get out and mix with their white brothers and pass out leaflets to inform the people what is going on and where they could meet to do something to correct these problems.

(CG T-3, 2/11/66)

B. Public Demonstrations

On March 5, 1966, Lt. [ ] Chicago, Illinois, Police Department, advised that eight pickets associated with the NSRP demonstrated at United Artists Theater, Randolph and Dearborn Streets, Chicago, against the movie "A Patch of Blue" from about 7:45 PM to 8:45 PM on March 5, 1966. The pickets carried signs calling for an end to integration and race mixing and [ ] of the NSRP was in charge of the pickets. There was no violence in connection with this demonstration and the demonstration was orderly and no arrests were made. b6 b7C

Lt. [ ] advised that copies of the following leaflet were distributed by the pickets at the above demonstration on March 5, 1966:

"UNITED ARTISTS PROMOTES GENOCIDE

"Don't patronize theaters which show race mix trash and thus call for the destruction of the white race. INTEGRATION is part of the communist plan to destroy freedom and the white family. Join the National States Rights Party in the fight to preserve our white Christian heritage!

"WAKE UP CHICAGO! The opening guns of the black revolution have sounded. The rev-d up Martin L. King has already begun to seize property in Chicago. Communism is here! How much longer will you LIVE IN FEAR?

"If you want to save your children, and their schools, your homes and your jobs, join the National States Rights Party. Do your share, don't rely on 'George' to do the job. Send for a sample copy of 'THE THUNDERBOLT', the official paper of the National States Rights Party and a copy of the party's national platform.
